

WATER, HEALTH AND SANITATION CERTIFICATE

This is to certify that **PM SHRI Kendriya Vidyalaya** PM SHRI AFS RAJOKRI situated at AIR FORCE STATION, RAJOKRI, has been inspected by the undersigned/competent authority with regard to the availability of safe drinking water, health and sanitation facilities in the school premises.

It is certified that:

1. The school has an adequate supply of **safe and potable drinking water** for students and staff.
2. The drinking water facilities are maintained properly and the water is suitable for human consumption.
3. Adequate and functional **toilets and urinals** are available separately for boys and girls, as well as for staff.
4. The sanitation and hygiene facilities in the school premises are maintained in a clean and hygienic condition.
5. Proper arrangements for **waste disposal, drainage and cleanliness** are available in the school.
6. Adequate facilities for **hand washing**, including availability of water and soap, are provided.
7. The school premises are maintained in a manner conducive to the **health, safety and well-being of students and staff**.
8. The school has made necessary arrangements for regular cleaning and maintenance of its water, sanitation and hygiene facilities.

On the basis of the inspection conducted, the school is found to have **adequate water, health and sanitation facilities** as required for the functioning of the school and for compliance with the norms applicable for **CBSE affiliation**.
