

REPORT ON CONTENT ENRICHMENT AND PEDAGOGICAL TRAINING (CEPT)

Conducted by Kendriya Vidyalaya Sangathan, Lucknow Region

Session 2026-27

Kendriya Vidyalaya Sangathan (KVS), Lucknow Region organized **Content Enrichment and Pedagogical Training programmes for teachers of all grades** at different venues across the region. The training programmes were conducted with the objective of strengthening teachers' subject knowledge, enhancing pedagogical competencies, and promoting effective and innovative teaching-learning practices in Kendriya Vidyalayas.

The training focused on **content enrichment, competency-based education, experiential learning, activity-based pedagogy, classroom management, assessment strategies, use of ICT and digital resources, and the integration of innovative teaching methodologies**. Teachers were encouraged to move beyond traditional methods and adopt learner-centred approaches that cater to the diverse learning needs of students.

The programmes provided teachers with opportunities to interact with experienced resource persons and fellow educators. Through **interactive sessions, group discussions, demonstrations, hands-on activities, case studies, presentations, and collaborative learning**, participants shared their experiences and explored practical solutions to classroom challenges. Special emphasis was given to developing higher-order thinking, creativity, critical thinking, communication and problem-solving skills among students.

The training sessions were organized at **different designated venues in the Lucknow Region**, enabling teachers from various Kendriya Vidyalayas to participate effectively. Teachers of different grades and subjects were provided with grade-appropriate and subject-specific inputs to improve classroom transaction and learning outcomes.

The programme proved to be highly beneficial in enhancing the **professional competence, confidence and pedagogical skills of teachers**. It also promoted a culture of continuous professional development and collaborative learning among educators. The knowledge and strategies gained during the training are expected to be effectively implemented in classrooms for making teaching more engaging, inclusive, experiential and outcome-oriented.

Overall, the **Content Enrichment and Pedagogical Training conducted by KVS Lucknow Region** was a valuable initiative towards ensuring quality

education and continuous capacity building of teachers. The programme reaffirmed KVS's commitment to providing effective professional development opportunities and improving the overall teaching-learning process in Kendriya Vidyalayas.
