“New Beginnings & Bright Starts”

 *Reopening, Reconnecting, and First Steps into Learning*

School Reopens with Fresh Energy’

After a refreshing summer break, Kendriya Vidyalaya Tiruvannamalai reopened its doors on 21st June 2025. The school campus buzzed with excitement as students eagerly returned to their classrooms, reuniting with friends and gearing up for a new academic journey filled with learning, laughter, and limitless opportunities.

With all safety and welcoming arrangements in place, the school community embraced the new term with optimism and enthusiasm.

 **Let’s gear up for a wonderful year of discovery and growth!**

Class 11 Returns – Ready for New Challenges

The new batch of Class 11 students stepped confidently into their senior secondary journey this week. After the pressures of Class 10 board exams, students now walk into a phase filled with new subjects, challenges, and dreams.

The school halls echoed with renewed energy as teachers and students reconnected, ready to explore new academic paths and personal goals. Here’s to a year of potential, purpose, and progress.

“Vidya Pravesh Programme”

The Vidya Pravesh Programme inauguration marked a joyful beginning for the youngest learners of KV Tiruvannamalai — the Class I students. The school premises were beautifully decorated with colorful balloons, flowers, and welcome banners, creating a warm and festive atmosphere.

The event began with a soulful morning prayer by primary students, followed by a traditional welcome where each child received a tilak and garland, stepping into school with wonder-filled eyes and innocent smiles.

🏫 The Principal's address emphasized the play-based, joyful learning approach of Vidya Pravesh, aligning with the NEP 2020, and reassured parents about the nurturing and safe environment provided by the school.

Inside the vibrant classrooms, children were introduced to fun-filled activities like storytelling, songs, clay modeling, drawing, and circle-time games—no textbooks or formal writing, just a gentle transition from home to school life.

★ KV Tiruvannamalai proudly begins this academic year with joy, hope, and a shared vision for excellence at every step—from the tiniest learners to future leaders.

“Voices for a Plastic-Free Planet Rise at KV Tiruvannamalai”

PM SHRI Kendriya Vidyalaya Tiruvannamalai observed World Environment Day 2025 on 5th June with great enthusiasm, centered around the global theme “Ending Plastic Pollution Globally.”

Students from various classes took part in essay writing, poster-making, and awareness talks, passionately voicing their concern for the environment. Their creative expressions highlighted the harmful impact of plastic use and promoted eco-friendly alternatives.

The event aimed to inspire young minds to adopt sustainable habits and take small steps toward a cleaner, greener future. A special Green Pledge was taken by all participants, committing themselves to reduce plastic use and protect the planet.

The celebration served as a powerful reminder that change begins with awareness—and that young voices can lead the way toward a plastic-free world.

“Bharatiya Bhasha Sangam Summer Camp”

PM SHRI Kendriya Vidyalaya, Tiruvannamalai successfully conducted the Bharatiya Bhasha Sangam Summer Camp to celebrate India's linguistic and cultural richness. Students actively took part in a week-long Tamil Bhasha Sangam, exploring language, culture, and heritage through fun and educational activities.

HIGHLIGHTS

- Day 1: Basic Tamil alphabets, greetings, and expressions with flashcards and role play
- Day 2: Real-life conversation practice in Tamil using A/V tools.
- Day 3: Folk songs, traditional instruments, and art forms.
- Day 4: Learning local food names and a demo of Tamil dishes.
- Day 5: Cultural films, street plays, and storytelling.
- Day 6: Tamil Nadu's geography and history through maps and videos.
- Day 7: Quiz, performances, and certificate distribution.

The camp encouraged students to appreciate linguistic diversity and fostered a deeper respect for India's cultural heritage. The Principal appreciated the students and staff for making the event a success.

“Exciting New Updates”

💧 Purified Drinking Water Now on Campus

An RO Plant has been newly installed in the school campus, ensuring that students now have unlimited access to clean and purified drinking water throughout the day — a major step towards health and hygiene.

📖 Library Gets a Fresh Collection

The school library has been updated with an exciting range of new magazines that cater to varied interests:

- Bhaal Bharathi, Magic Pot, Akkad Bakkad – Fun and educational reads for children
- Yojna, Aajkal – Covering current affairs and social issues
- Vigyan Pragati, Science Reporter – Exploring science and innovation
- National Geographic Kids – Fascinating facts about nature, animals, and science

Welcoming New Staff Members

- **Ms. Pratishtha Mishra, TGT English**
- **Ms. Devi, GDGN Staff Nurse**
- **Mr. J. Mayavan, PGT Physics**

Their arrival brings fresh energy, expertise, and support to both the academic and health services of the school.

Vocational Lab Under Construction

In a major development, KV Tiruvannamalai has begun construction of a state-of-the-art Vocational Lab on campus. This new facility will provide hands-on training in areas like computer technology, electrical works, and creative arts, giving students practical skills alongside their regular studies.

Once completed, the lab will become a hub for career-oriented learning and help students explore new pathways for the future. School authorities hailed the project as “a step towards building future-ready students,” with enthusiastic support from both parents and students.

With these meaningful enhancements, KV Tiruvannamalai continues its journey towards excellence in education and student well-being.

THOUGHT OF THE MONTH

"Success is not final, failure is not fatal: It is the courage to continue that counts."
