4. **Name of occupier:-** Principal, KV Godhra.
5. **Nature of use and process:-** Educational Institute.
6. **Number of Floors:-** (G+2)
7. **Date of Issue:-** 26-10-2026

This is to certify that I have inspected the premises and examined the various newly constructed buildings and their components. Based on visual inspection and observations, I am of the opinion that, in general, all civil engineering works executed in the premises are structurally sound and stable, and their stability is not likely to be endangered by their use as an educational institution.

However, it is also pertinent to note that the building has been newly constructed and will require periodic maintenance to keep it in good condition and ensure its continued use for the intended purpose.

This certificate shall remain valid for one year from the date of Issue of the certificate.
