

Message from the Director

“विद्या ददाति विनयं, विनयात् याति पात्रताम्।
पात्रत्वात् धनमाप्नोति धनात् धर्मं ततः सुखम्॥”

It gives me immense joy and happiness to present the new and comprehensive website of **Kendriya Vidyalaya Sangathan, Zonal Institute of Education and Training (ZIET), Mumbai**. The website is a reflection of our continuous endeavour towards excellence in education, professional development, capacity building and the holistic development of teachers and students.

Kendriya Vidyalaya Sangathan has established itself as one of the premier organisations in the field of school education, committed to providing quality education and nurturing young minds with knowledge, skills, values and a strong sense of responsibility towards the nation. **ZIET Mumbai**, as an important centre of professional development, plays a significant role in strengthening the competencies of teachers and educational functionaries through innovative training programmes, workshops, academic initiatives and continuous professional development.

Education is the backbone of a progressive and enlightened society. In an era of rapid technological advancement and changing educational paradigms, it is imperative that our teachers and educational leaders continuously enrich themselves with contemporary knowledge, innovative pedagogies, digital competencies and 21st-century skills. The vision of **NEP 2020** further emphasises competency-based, experiential, holistic and learner-centric education, making continuous professional development an essential component of quality education.

The primary objective of **ZIET Mumbai** is to provide meaningful opportunities for professional learning, reflection, collaboration, innovation and knowledge sharing. Through its diverse programmes and academic initiatives, the Institute strives to empower teachers to respond effectively to emerging educational challenges and to create engaging, inclusive and future-ready learning environments.

I firmly believe that a strong and vibrant professional learning culture is the foundation of educational excellence. The collective commitment, creativity and dedication of teachers and educational functionaries can transform classrooms into dynamic spaces of curiosity, critical thinking, creativity, collaboration and lifelong learning.

The website of **KVS ZIET Mumbai** is envisaged as an effective digital platform to showcase the Institute's training programmes, academic resources, innovative practices, achievements, publications, activities and other professional development initiatives. It will also facilitate wider dissemination and sharing of knowledge and best practices among the KVS fraternity.

I take this opportunity to express my sincere appreciation to all the dedicated teachers, officers, resource persons, staff members and stakeholders whose valuable contributions continue to strengthen the academic and professional ecosystem of Kendriya Vidyalaya Sangathan.

Let us work together with commitment, innovation and a positive spirit to empower our teachers, inspire our learners and contribute meaningfully towards building a **Viksit Bharat** through quality education.

I extend my best wishes to all the stakeholders of Kendriya Vidyalaya Sangathan for continued success, professional growth and academic excellence.

With best wishes!

Shri T. Prabhudas
Director
KVS ZIET Mumbai
