

Practices Of Library KV Haldwani Shift 2

Kendriya Vidyalaya Haldwani is trying to do its best to develop reading habits in students. Library has taken many initiatives for its readers.

Library Book Club 'Kitabbazi'- Our librarian has started a Book Club to engage students in reading. The book club was founded two years back. We named this book club as Kitabbazi. As the name suggests, our students talk about books in the club. They read books and talk about characters, plot, story etc. This book club helps them in improving their communication skill and improve their reading habits.
