

**PM SHRI KENDRIYA VIDYALAYA NFC NAGAR GHATKESAR
SUMMER VACATIONS HOLIDAY PROJECT**

Session: 2026-27

Class: VII

Artificial Intelligence

Project Title: Smart World with AI

Students are required to create a **creative visual project** based on the theme “**Smart World with AI**”.

Task:

1. Draw a **scene of your choice**, such as:
 - Your home (bedroom, living room, kitchen)
 - School
 - Street or city
 - Future world with AI
2. Include **at least 6–8 objects or situations** in your drawing where AI is used.

Labeling Requirements:

For each object shown in your drawing:

- Write the **name of the object/application**
- Identify the **AI Domain**:
 - Computer Vision
 - Natural Language Processing
 - Data Science/Statistics

Information Box (For Each Object):

Next to each labeled object, add a small box and write:

- What the object does
- Which AI domain it belongs to
- How it uses Artificial Intelligence

Presentation Guidelines:

- The project must be done on A4 sheets or chart paper
- Use colors, drawings, and neat labeling
- Maintain clarity and proper spacing
- The work should be original and handwritten
