SUMMER VACATIONS HOLIDAY PROJECT**

Session: 2026-27

Class: IX

**Artificial Intelligence**

**AI Ethics Placard: Designing a Responsible Future**

Students are required to create a **placard/poster** highlighting any one ethical issue related to Artificial Intelligence. The project should reflect the student's understanding of the topic along with creative expression.

Students may choose any one of the following themes or a similar topic:

- Privacy in AI
- Bias and discrimination
- Job loss due to AI
- Surveillance systems
- AI decision-making

**Project Guidelines:**

**What You Have to Do:**

- Create one poster/placard
- Use A3 sheet or chart paper
- Write the following details neatly in one corner (bottom or side):
  - Name
  - Class & Section
  - Roll Number

**The Poster Must Include:**

- A suitable title related to the selected topic
- A short explanation (5–6 lines) in your own words
- At least one real-life example
- Minimum three visual elements (drawings, symbols, or illustrations)
- A relevant message or slogan

**Instructions to Students:**

- The content should be original and neatly presented
- Use simple language for explanation
- Emphasis should be on clarity of concept and creativity
- Students are encouraged to use colors, diagrams, and illustrations
- Avoid copying directly from the internet
