

KENDRIYA VIDYALAYA NFC NAGAR

Summer Holiday Homework

CLASS VI

I. HEADING: SCIENCE HOLIDAY HOMEWORK AND ART INTEGRATED PROJECT (To be done in A4 Sheets in a file and should be well decorated)

1. Write about one Indian Scientist or wildlife biologist who is working towards protection of India's biodiversity. Prepare a brief report.
2. Write self created Poems on the following topics:
 - a. Nature
 - b. Diversity in Plants and Animals.
3. Prepare a brief report on "PROJECT TIGER. "
4. Prepare a diet chart to provide a balanced diet to a Twelve years old child. The diet chart should include food items that are commonly available in your area.

II. SCIENCE SUBJECT ENRICHMENT ACTIVITY (To be done in Science Subject Enrichment Notebook)

The Task: Students collect 5 different fallen leaves from your neighborhood. You must create a "Leaf Rubbing" by putting the leaf beneath a plain page of your notebook and shade the page by using crayons or a pencil to capture the vein patterns of the leaf

Documentation: For each of the 5 leaves the student must write the following on the ruled side of the notebook:

Leaf 1.

- a) Venation Type: Reticulate or Parallel.
 - b) Inferred Root Type: Taproot or Fibrous (based on the venation).
 - c) Drawing: A labeled sketch of the leaf parts (lamina, petiole, veins).
- Repeat the same for every leaf till leaf 5.
