Comprehension!

Directions: read the paragraph inside the box, once you have read it all, answer the questions below using the paragraph you have read!

The Curious Caterpillar

Once upon a time, there was a curious caterpillar named Charlie. Charlie loved exploring the world around him. One sunny day, he decided to crawl up a tall tree to see what was on top. As he reached the highest branch, he discovered a magnificent view of the entire garden. The colorful flowers, buzzing bees, and fluttering butterflies filled him with joy. From that day forward, Charlie knew that curiosity could lead to the most wonderful adventures.

What is the title of the story?

What is the name of the main character?

What did Charlie love doing?

What did Charlie discover on the highest branch of the tree?

What filled Charlie with joy?

What did Charlie learn from that day forward?
