Sub : Onboarding of the Bharat Bill Payment System (BBPS)

Madam/Sir,

The Finance Team of Kendriya Vidyalaya Sangathan (KVS) is thrilled to announce the seamless onboarding of the Bharat Bill Payment System (BBPS) with Union Bank of India (UBI) which will make available additional 400 platforms (till now there were only 2 platforms - website of KVS or that of UBI) for collection of KVS fees. This integration extends accessibility, allowing platforms such as PayTM, Google pay, Amazon Pay etc and various banks, including small finance banks and NBFCs, to facilitate hassle-free transactions which will enable around 2 lakh additional parents (they were till now going to bank every quarter for over the counter payments) to pay fees online. This progressive initiative not only simplifies the fee payment process for students and parents but also reflects the KVS Finance Team's commitment to embracing modern financial solutions. Consider it a New Year gift, ushering in convenience and efficiency for the entire KVS community, particularly the students and their parents.

Hand version will follow.

Yours faithfully,

(Satya Narain Gulia)
Joint Commissioner (Finance)
