

ART AND CRAFT

Art and Craft activities aim to develop students' creativity, fine motor skills, and self-expression. The school's art and craft education program encourages students to explore their imagination and talent.

Many art and craft activities are done at PM Shri K V No.1 Amritsar Cantt. A few of them are mentioned below:

- Paper Bag Puppetry: Students created colorful puppets using paper bags, sticks, and other craft materials.
- Wall Mural Painting: Students painted a vibrant mural on the school wall, depicting Indian culture and heritage.
- Origami Workshop: Students learned various origami techniques to create intricate designs and shapes.
- Clay Modeling: Students created decorative items like pots, vases, and sculptures using clay.
- Card Making: Students designed and made greeting cards for special occasions using various art materials.
