

WATER CONSERVATION PLEDGE

- I take an oath to conserve water and to utilise it to the maximum efficient possible way.
- I promise to save every drop of water with judicious use and conserve it for future generations.
- I commit to practice water saving methods and motivate others also to practice the same and join the mission on water conservation.
- Water left in the bottles at the end of the day will be used to water plants.
- Making sure that tap leakages are checked regularly and fixed immediately.
- Using a bucket to bathe instead of a shower.
- Turning off the running taps wherever we find one ,to stop wastage of water.
- Ensuring to follow the motto "***Catch the rain when it falls***" by using rainwater harvesting techniques.

It is our planet and we will save it.!!
