Message From Head Master

Every child is born with some innate talent. The only thing needed to bring that talent out is to give him or her an opportunity. We are also trying to give our children the opportunity in the form of different activities conducted under CMP, CCA, FLN, Cubs and Bulbuls training etc. A glimpse of participation by our children is presented before you in the form of this News Letter. I convey my heartfelt gratitude to all my primary teachers for their endless and valuable efforts to conduct these activities for the children.
