REPORT ON YOUTH PARLIAMENT – 2023

In order to actively and meaningfully participate in the democratic functioning of our civic and political institutions, citizens are required to have certain competencies. To inculcate the same in the minds of young students and to train them for their role as citizens in a democracy, Youth Parliament was conducted under the P M SHRI Program. It was conducted on 30/11/2023 in the vidyalaya premises with the participation of 54 students from class IX to XII. The entire school witnessed the programme and hugely motivated. As per the students' feedback the event made them aware of parliamentary procedure and gave an insight into the working of parliament.
