

## ART DEPARTMENT

The Art Education Department of Kendriya Vidyalaya No.2 Ishapore is dedicated to nurturing the creative talents of its students. It offers a wide range of activities and classes that help students develop their artistic skills. The department plays a crucial role in preparing students for various competitions at the school, cluster, and national levels. By providing guidance and support, it ensures that students are well-equipped to showcase their talents and achieve excellence. The department's efforts not only foster creativity but also build confidence and encourage self-expression among students, making art an integral part of their education.
