Dear parents,

As we reflect on the past few months, I want to take this opportunity to express my heartfelt thanks to everyone in our school community. From our dedicated teachers and staff to our supportive parents and guardians, and of course, our wonderful students - I am grateful for the role each of you plays in making KV INS Hamla such a special place. The growth, kindness, and enthusiasm we see every day would not be possible without the partnership we have with all of you. Whether you've volunteered at events, supported learning at home, or simply encouraged your child to do their best, your efforts do not go unnoticed.

I would also like to extend my gratitude to the students, who continue to impress us with their hard work, curiosity, and respect for one another. Watching them grow and succeed brings joy to us all, and it's a reminder of how much we can accomplish when we work together. Thank you for your ongoing support and commitment to our school.

Warm regards,

Mrs. Madhulika M. Misra

We encourage you to stay engaged, ask questions, and help us make this school year one of the best yet.

As always, our focus remains on ensuring every child feels safe, valued, and supported in their learning. We are working hard to provide meaningful and engaging learning experiences that foster creativity, critical thinking, and collaboration.

Thank you for your continued support, and we look forward to all that the rest of the year has to bring.
