*It is a matter of great joy and pride to see that PM SHRI KENDRIYA VIDYALAYA BAMANGACHI is bringing out the Newsletter for 4th Quarter for, for the session 2024-25. The school has made commendable progress in all areas, academic and non-academic. The activities carried out in our school have taken us to the heights of prosperity and support from a positive and moral point of view. Our school is not only a leader in education, but is also moving towards excellence in collective service, arts, sports, and science. This newsletter is the result of the combined efforts of children and teachers, which has been decorated by our little writers, poets and painters. This newsletter is a mirror of the activities of the school. The cooperation and support of everyone is the power behind our success.
