

PM SHRI KENDRIYA VIDYALAYA KHAMMAM

SUMMER HOLIDAY HOMEWORK

CLASS X - SANSKRIT

1. Write 10 examples of Time topic.
2. Translate 20 sentences from english to Sanskrit. (Have to use vibhakti boxes)
3. Write any three picture writings.
4. Write and learn 3rd letter sandhi formula and write 10 examples
5. Read the 1st lesson.

SUBJECT- SCIENCE

1. Make a **ART INTEGRATED PROJECT** on the topics or chapters have studied till now. Use your art work knowledge in the field of science .

For Eg- In LIFE PROCESSES chapter make a 3D model of any system by using painting, paper cutting, paper folding etc. you can take the idea from the link shared below.

<https://pin.it/338DBLIXu>

2. Make one **RECORD** for all the experiments in science and also complete it.
 3. Solve the worksheets of PHYSICS , CHEMISTRY and BIOLOGY in your HW notebooks. (You have to make one common HW notebook for all 3 streams).
 4. Make a thin notebook for all the activities given in the textbooks. Write the Aim , requirements, observations , conclusions and what you learnt from them for the activities we have studied till now.
- In chemistry specially focus on the reactions , how to write them, how to balance them , and the changes which take place during the reaction.
5. Complete the work of your class work notebooks .
In biology make notes of the 1st chapter. Practice all the diagrams by drawing in notebook.
 6. Read and learn the chapters we have studied till now.
 7. Learn the elements of periodic table along with their symbol and atomic number.

पीएम श्री केन्द्रीय विद्यालय खम्मम 2025-26
