

**PM SHRI KENDRIYA VIDYALAYA KHAMMAM**  
**PRIMARY SECTION 2025 - 26**  
**AUTUMN BREAK HOLIDAYS HOMEWORK**

**CLASS - 4**

**ENGLISH**

1. Read lessons of Unit 2 of English Textbook and also read English Newspaper daily (loud reading) for 10 minutes.
2. Make a daily fitness diary (for 7 days). Write down one healthy habit you followed each day.  
Example: Drank 6-8 glasses of water, went for a walk, ate fruits, etc.
3. Solve at least 5 riddles, puzzles, or brain teasers. Write them with answers on an A4 sheet.  
Also, read a short story or poem daily. Write the title and one new word you learned from it.
4. Write 5-6 sentences on "How can I help my nation stay healthy and strong".  
Example: planting trees, keeping my surroundings clean, eating healthy food, respecting others.
5. Make a poster on "A Happy Mind is a Healthy Mind" (Use drawings, colours, and slogans).

**HINDI**

1. "मेरा प्रिय ऋतु - शरद ऋतु" विषय पर 10 वाक्य लिखिए।
2. अपने गाँव/शहर के किसी त्यौहार का 1 पृष्ठ विवरण लिखिए।
3. प्रतिदिन 5 कठिन शब्द लिखकर उनके अर्थ शब्दकोश से देखिए।
4. प्रतिदिन 5 पंक्तियाँ सुंदर लेखन (सुलेख) कीजिए।
5. अपने परिवार के किसी बुजुर्ग से उनकी बचपन की एक याद सुनिए और उसे काँपी में लिखिए।

## MATHS

1. Draw 4 objects around you (ball, book, clock, window) and write the shapes they look like.
2. Write a secret 3-digit number and give 2 clues about it (for example: "It is even" or "It ends with 5").
3. Make a pattern by skip counting in 4s and continue it up to 10 numbers.
4. A town has 4,325 people. If 2,175 more people come, how many people live in the town now?
5. Measure the length of a pencil, your notebook, and a spoon in centimetres and write their lengths in order from shortest to longest.

## TWAU

1. My Plant Diary

Plant two seeds (any – beans, coriander, mustard, tomato).

Water them daily and observe their growth.

Paste/draw pictures and write 5 lines about changes you saw every week.

2. Waste to Best

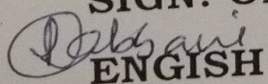

Collect any waste material (old boxes, bottles, paper).

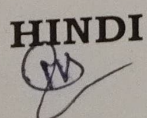

Make something useful (pen stand, bird feeder, etc.).

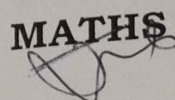

Paste a photo of your model in your notebook and write 3–4 sentences on how it helps in recycling.

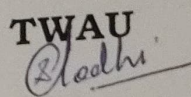

3. Draw the life cycle of a butterfly or frog.
