MATHS

1. My Multiplication Garden Project

Imagine you have a small garden.

- There are 4 rows of plants.
- Each row has 7 plants.
- Draw the garden neatly.
- Find the total number of plants using multiplication.

•Write the multiplication sentence and answer.

2. Visit a nearby shop or imagine a winter shopping list for your family.

•Write the names and prices of at least 5 items.

•Find the total amount spent.

•If you give ₹1000 to the shopkeeper, how much change will you get?

3. My Daily Time Table Project

Prepare your daily routine during winter holidays.

•Write the time you wake up, study, play, eat, and sleep.

•Draw clock faces for any 3 activities showing the correct time.

•Find how many hours you study and play in one day.

TWAO

1. Why do we need to eat different kinds of food?

2. What are the different types of foods we eat daily? and give examples.

3. List out five Natural and five Artificial things.

4. Find out from your parents about the Swachh Bharat Mission.

5. Find out how some commonly used objects like pencils, erasers, pens, and notebooks are made.

Ask your elders.

6. In what ways do you help your parents and grandparents?
