“Learn, Create, Explore and Enjoy!”

1. Imagine you are exploring a beautiful garden!

Draw or paste a picture of a garden. Look at it carefully and write the names of any **five things** you see.

2. Paste or draw pictures of any **five family members**. Write their relationship with you and their names. Then, practise writing each family member's name **five times**.

Picture	Relationship with Me	Name
	Father	
	Mother	

Name Writing Practice: Write each name five times in your English notebook.

Example: Ravi – Ravi – Ravi – Ravi – Ravi

3. Draw and colour a beautiful rainbow. Write the names of its **seven colours in the correct order**.
4. Learn a four-line poem about a flower. Draw and colour a beautiful flower to decorate your work.
