PRINCIPAL'S DESK

Dear Young Learners, Parents, and Teachers,
Greetings!

It is with great joy and pride that I present this edition of our CMP News letter, a reflection of the wonderful creativity, talent, and enthusiasm of our young stars. Each page of this news letter tells a story of curiosity, imagination, and the eagerness to learn—qualities that make our school a vibrant place of growth and joy.

As primary students, you are at the most exciting stage of your learning journey. Every day brings new opportunities to discover, explore, and create. I encourage you to dream big, work hard, and always believe in yourself. Remember, mistakes are just steps toward learning, and kindness is the greatest lesson of all.

I extend my heartfelt appreciation to our dedicated teachers and supportive parents, who nurture our children with love and guidance. Together, we will continue to inspire and shape bright futures.

Happy reading and keep shining!

Warm regards,

MORNING ASSEMBLY

The morning assembly serves as a vital platform for nurturing values like discipline, respect, and responsibility. Through activities such as prayer, the national anthem, and inspirational talks, it fosters moral and ethical growth, creating a positive and uplifting start to the day."

The image features four paper flowers made from recycled paper, arranged on a wooden surface. The flowers are constructed from various types of paper, including maps, documents, and colored paper. The top-left flower is made from light-colored paper with some text visible. The top-right flower is made from light blue and white paper. The bottom-left flower is made from light-colored paper with some text visible. The bottom-right flower is made from light blue and white paper. The flowers are arranged in a circular pattern, with their petals overlapping. A dark blue banner with the text "PAPER FLOWER MAKING" is centered over the image.

**CELEBRATING
INTERNATIONAL
DAY FOR OLDER
PEOPLE**

A woman with dark hair is sitting at a table with three young children. They are playing with colorful wooden blocks and toy cars. The woman is looking at the children and talking to them. The children are focused on their play. The background is a bright, airy classroom with other children and toys visible.

TOY BASED LEARNING

"Toys spark curiosity and creativity, fostering exploration and problem-solving. Through play, children enhance essential skills like critical thinking, teamwork, and fine motor coordination."
