PRINCIPAL'S DESK

Dear Students, Parents, and Teachers,
Warm greetings to all!

It is a matter of great joy and pride to present this edition of our **CMP Newsletter (SRIJAN)**, a vibrant reflection of the creativity, achievements, and enthusiasm of our young learners. Each page showcases their imagination, curiosity, and eagerness to learn—qualities that bring energy and happiness to our school community.

Dear children, you are embarking on an exciting journey filled with endless opportunities to learn, explore, and discover. Embrace each day with curiosity and confidence. Dream big, put in your best efforts, and never be afraid of making mistakes, for every mistake is an opportunity to learn and grow. Above all, remember that kindness, compassion, and respect are among the most valuable lessons you can carry throughout life.

I extend my heartfelt appreciation to our **dedicated teachers and supportive parents** for their constant guidance, encouragement, and cooperation. Your collective efforts play a vital role in nurturing young minds, developing their potential, and helping them grow into confident and responsible individuals. Let us continue to work together to inspire our children, celebrate their accomplishments, and create meaningful opportunities for their holistic growth.

Wishing you a delightful reading experience. Keep learning, keep growing, and keep shining!
Warm regards,
