NEWS LETTER 2023-24

Volume 1  
April - July

*KVS believes in imparting knowledge and values and nurturing the talent, enthusiasm and creativity of its students for seeking excellence through high quality educational endeavours.*

*All of us here in KV Kanhangad adhere to the vision of the organisation and for achieving this goal quite a number of co-curricular and extra curricular activities are organised on day to day basis along with quality classroom learning experiences .*

*I take this opportunity to congratulate all the teachers who provided the children all these opportunities and also their parents for making them ready for all the activities.*

*I also congratulate all the children who made the best use of the opportunities open to them.*

*Principal*
