

Vidyanjali is an initiative of Department of School Education and Literacy, Ministry of Education, for facilitating the community and volunteers to directly connect with the government and government-aided schools to contribute their services and/or assets/ materials/equipments through a dedicated portal.

It's an online portal to facilitate volunteer contribution by alumni of educational institutions, serving and retired teachers, scientists, government/semi-government officials, retired armed forces personnel, self-employed and salaried professionals, homemakers, persons from Indian diaspora and any other organization/group or company in the government/ government aided schools of their choice pan-India by registering on the Vidyanjali portal. The interested volunteers can contribute either in the form of assets or material or can participate by sharing their knowledge and skills in curricular, co-curricular and extra-curricular activities.

The broad categories for volunteer contribution cover services/activities as well as assets/materials such as basic civil infrastructure, basic electrical infrastructure, digital infrastructure, equipment for extra-curricular activities & sports, yoga, health and safety aids, teaching learning materials, maintenance & repairs, office stationery/furniture/support services/needs etc.

# Volunteer

Volunteers support for school Service/Activity shall strengthen and enrich the implementation of co-scholastic services/activities. Volunteers would be able to bring diverse talents and skills, thereby making valuable Service/Activities to the learning process at school.

## How to participate

# School

School infrastructure provides suitable environment to students for facilitating the education. It is a necessity to ensure access to education. Augmentation and upkeep of Infrastructure requires appropriate capital investments on regular interval. Volunteers may strengthen the school infrastructure by providing the required Assets/Material/Equipment to schools as per the school requirement.
