

PM SHRI KV AGCR COLONY

Principal's Message

Congratulations to all students, teachers and parents for successfully completing the previous school year! where everyone focussed on building good relationships with fellow classmates and teachers to help make the school a safe learning environment.

I look forward to making school experience an enjoyable one this year long with exciting activities that make learning fun!

PRACHI DIXIT

HM's Message

Dear Parents and students,
As we reflect on the past year, we are filled with pride and gratitude for our wonderful students, dedicated staff, and supportive community. Here are some of the highlights from the 2023-2024 academic year:

Savita Mahindroo

Our mentors

Ms NIDHI PANDEY
Commissioner KVS

Mr S S CHAUHAN
Deputy Commissioner

Mr G S Pandey
Assistant Commissioner

Mr K C Meena
Assistant Commissioner

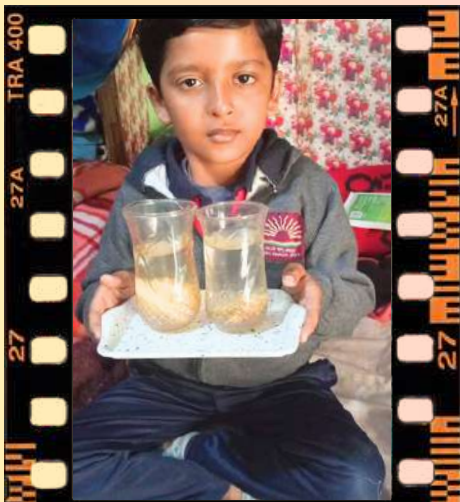

Mr Devender Kumar
Assistant Commissioner

Ms Prachi Dixit
Principal

Mr Sher Singh
Vice Principal

Academic Activities

In the domain of the vidyalaya, a magnificent tapestry of Olympiad exams unfurled, guided by the mystical essence of SOF, traversing realms of science, mathematics, GK, and beyond. Amidst this enchantment, a Reading Challenge beckoned, with students delving into over 10,000 books collectively, kindling flames of affection for the written word. Across the classrooms, teachers and students wove spells of knowledge through diverse science experiments. And during the Hindi Pakhwada festivities, the love for Hindi blossomed, celebrated through a myriad of enchanting activities.

Continous Professional Development(CPD)

Professional growth endeavors weave a tapestry of wisdom and prowess within the realms of labor. Thus, workshops unfurled their mystic veils to empower the educators, enriching their expertise with celestial insights.

TLM WORKSHOP

PUPPET MAKING
WORKSHOP

ICT WORKSHOP

DEVELOPING 21ST CENTURY SKILLS

Developing 21st-century skills is essential for preparing students to thrive in an ever-evolving world. Hence students were encouraged to analyze complex issues, evaluate evidence, and propose innovative solutions. They were also engaged in real-world scenarios where they must think critically to address challenges.

FUNDAY

The essence of Funday is to offer students a sanctuary free from the burdens of academia, where they can glean knowledge beyond the confines of textbooks. Diverse engaging pursuits were orchestrated to nurture students into adept learners within a realm of joyous exploration.

GAME BASED LEARNING

Game-based learning focuses on understanding, knowledge retention, and mastery of course material. By integrating games into the learning process, educators combat burnout and enhance student engagement.

SPORT INTEGRATED LEARNING

Sports provide a relatable context for teaching various subjects, including science, mathematics, and teamwork.

Students learn scientific principles while participating in sports, bridging the gap between academic concepts and real-world experiences

COLLABORATIVE LEARNING

PARENTS AS PARTNERS

When parents actively engage in their child's education, it positively impacts academic performance. Students whose parents stay involved tend to have better attendance, behavior, and grades. They also demonstrate improved social skills and adapt better to school life

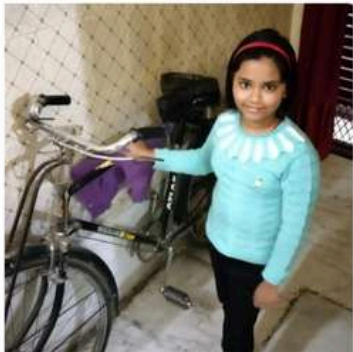

EXPERIENTIAL LEARNING

LEARNING TO CARE

Caring for elders is a responsibility that holds immense significance. Therefore, we taught our kids to care for their elders and contribute in the household chores too.

ART INTEGRATED LEARNING

ANNUAL INSPECTION

Teachers as learners

As we all know , learning is an ongoing process which is why our teachers have created youtube channels to keep the continous learning process going on.
