# THE PRINCIPAL'S MESSAGE

---

I am delighted to present the *Second Term E-Newsletter 2025-26* of the **Foundational and Preparatory Stage** of PM SHRI Kendriya Vidyalaya, Jagdalpur. This publication is a celebration of the joyful learning, creativity, and development that form the core of early childhood education.

The **National Education Policy (NEP) 2020** has rightly reimagined school education through a holistic and learner-centered approach. It recognizes that the years from 3 to 8 are the most critical for building strong foundations in a child's cognitive and emotional development. The **Foundational and Preparatory Stages**, as outlined in the NEP, emphasize play-based, activity-oriented, and experiential learning that nurtures curiosity, imagination, and a lifelong love for learning.

At the heart of this vision is **Foundational Literacy and Numeracy (FLN)** – the ability to read with understanding and to perform basic mathematical operations. Mastery of FLN by the end of Grade 3 is considered the most urgent and necessary goal, as it serves as the gateway to all future learning.

This E-Newsletter reflects our school's commitment to implementing NEP-2020 in its true spirit. It showcases the rich learning experiences of our young learners and the creative pedagogical practices adopted by our dedicated teachers. From language development to early numeracy, from storytelling to hands-on exploration—each activity is a step toward building confident, competent, and compassionate individuals.

I extend my heartfelt appreciation to our teaching staff, students, and parents for their collaboration and enthusiasm. Let this E-Newsletter be an inspiration for us to continue working together in shaping the future of our children through the transformative vision of NEP-2020.

Warm regards,

**Mr. Rajkumar Asanani**

*Principal*

PM SHRI Kendriya Vidyalaya, Jagdalpur

# THE HM's Message

---

It gives me immense pleasure, as the Head Master, to present the Second Term E-Newsletter (2025-26) of the Foundational and Preparatory Stage of PM SHRI Kendriya Vidyalaya, Jagdalpur. This edition beautifully showcases the creativity, enthusiasm, and joyful learning experiences of our young learners.

In alignment with the vision of National Education Policy (NEP) 2020, we are committed to strengthening Foundational Literacy and Numeracy, which form the cornerstone of lifelong learning. The ability to read with understanding and apply basic mathematical skills empowers our children to think independently and grow with confidence.

“शिक्षा वह ज्योति है जो अज्ञान के अंधकार को दूर करती है।”

“छोटे-छोटे कदम ही बड़ी सफलता की नींव रखते हैं।”

This newsletter reflects our collective efforts to provide an inclusive, engaging, and activity-based learning environment. I extend my heartfelt appreciation to our dedicated teachers, enthusiastic students, and supportive parents for their unwavering cooperation. May this edition continue to inspire and strengthen the foundation for a bright and successful future for our children.

Warm regards,

**Mr. Samrat Padhan**

*Head Master(I/c)*

PM SHRI Kendriya Vidyalaya, Jagdalpur

# Visit of Joint Secretary, Department of Sports Shri Shobhit Jain and team along with collector Shri Akash Chhikara (IAS), DM, Bastar and team

**VISIT OF DEPUTY COMMISSIONER  
SMT. P.B.S. USHA MADAM AND ASSISTANT COMMISSIONER  
SHRI RAVINDRA KUMAR SIR,  
KVS RO RAIPUR**

# MORNING ASSEMBLY

Our morning assembly is conducted daily with discipline and enthusiasm. Students participate in prayer, thought of the day, news reading, pledge and other special events. It helps children develop confidence, communication skills and moral values. The assembly sets a positive tone for the day and encourages unity and punctuality.

# MORNING ASSEMBLY

Some glimpse of the special events conducted by the talented students of our school.

# BALVATIKA III ACTIVITIES

Balvatika students engaged in play-based learning activities, through rhymes, coloring, and group tasks. They developed fine motor skills and joyful learning habits.

# BALVATIKA III ACTIVITIES

Children participated in hands-on activities using toys and learning materials. These activities enhanced their creativity and early literacy skills.

# BALVATIKA III ACTIVITIES

---

Students enjoyed fancy dress competition and exhibition of their skills. Such activities improved their speaking skills, imagination, and vocabulary development

# CLASSROOM ACTIVITIES

Classroom activities were conducted in an interactive and child-friendly manner. These activities promoted curiosity, confidence and active participation. Learning became joyful and experiential as per NEP 2020 guidelines.

# CLASSROOM ACTIVITIES

Through collaborative learning and peer interaction, students developed teamwork and communication skills.

# CLASSROOM ACTIVITIES

Students actively participated in different activities. Activity-based teaching made learning interesting and interactive.

हिंदी  
कक्षा- 2C

# FLN ACTIVITIES

Foundational Literacy and Numeracy activities helped students improve their reading, writing and numeracy skills through phonics, word-building exercises and number activities.

# FLN ACTIVITIES

Numeracy activities like counting, number games, and basic operations enhanced mathematical understanding.

# FLN ACTIVITIES

Children practiced reading aloud, fun activities and number recognition. These activities built a strong foundation for future learning.

Activity- addition on Number line

# FLN ACTIVITIES

Activity-based, outdoor learning and TLM were used to make learning joyful and effective.

## 1A FLN ACTIVITY - ADDITION

# FLN ACTIVITIES

Students participated in interactive puzzle solving games and interactive activities, improving logical thinking and problem-solving skills.

# SUBJECT ENRICHMENT ACTIVITIES

Students explored concepts through charts, models, and creative presentations, making subject learning meaningful.

# SUBJECT ENRICHMENT ACTIVITIES

Neighborhoods and helpers Activity.

Group projects and practical demonstrations enhanced understanding and active participation.

parts of plant

# MUSIC ACTIVITY

Music activities were conducted to develop rhythm, listening skills and confidence among students. Children participated in singing, playing musical instruments and action songs with great joy. It also helped them express emotions and skills. The activity created a cheerful and energetic learning environment.

# DIGITAL LIBRARY

Students were introduced to the Digital Library to encourage reading habits and modern learning. They explored e-books, audio stories and educational videos under teacher guidance. This activity enhanced their digital awareness and improved learning interest. It promoted independent learning and curiosity among students

# LIBRARY ACTIVITIES

Library activities were organized to develop reading habits and love for books. Students visited the library and explored storybooks, picture books and magazines. They learned the importance of maintaining silence and discipline in the library. These activities improved vocabulary, imagination and listening skills.

# LIBRARY ACTIVITIES

Book/Newspaper reading sessions improved vocabulary and comprehension skills among students.

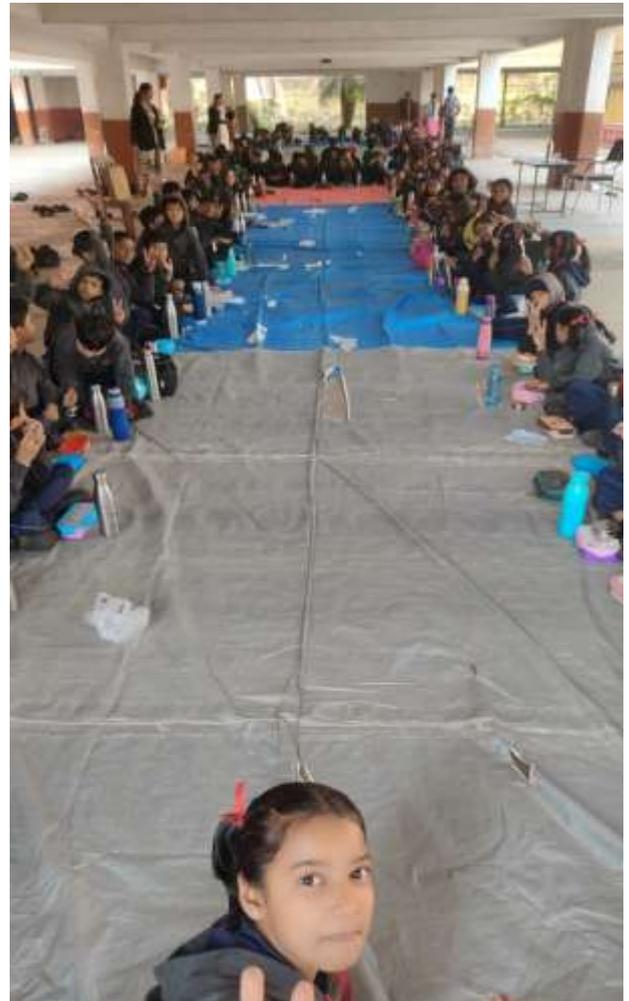

# CLA & COMPETITIONS

Various Co-curricular activities and competitions were conducted to boost creativity and confidence. Students participated in drawing, recitation, storytelling, craft work and other events. These competitions encouraged healthy competition, teamwork and self-expression. Children showcased their talents with great enthusiasm and joy.

# CLA & COMPETITIONS

Creative Learning Activities enhanced critical thinking and presentation skills.

# CLA & COMPETITIONS

Healthy competition and mass participation encouraged students to perform their best and develop self-confidence.

# CUBS & BULBULS ACTIVITIES

Cubs and Bulbuls activities were conducted to develop discipline, leadership and social values among students. Children participated in drills, songs, teamwork games and moral learning activities. These activities helped them learn cooperation, responsibility and self-confidence. Students enjoyed the sessions with excitement and energy.

# CUBS & BULBULS ACTIVITIES

Students learned discipline, teamwork, and social responsibility through Cubs and Bulbuls activities like drills and group tasks developed leadership and cooperation skills.

# CUB BULBUL CAMP

Cub Bulbul testing camp was organized successfully for Pravesh, Pratham and Dwitiya Charan levels. Students participated in various skill-based activities, drills and team tasks. The camp encouraged discipline, leadership and confidence building. Children performed well and learned important values of scouting and guiding.

# CUB BULBUL CAMP

PRAVESH, PRATHAM, DWITIYA CHARAN TESTING CAMP

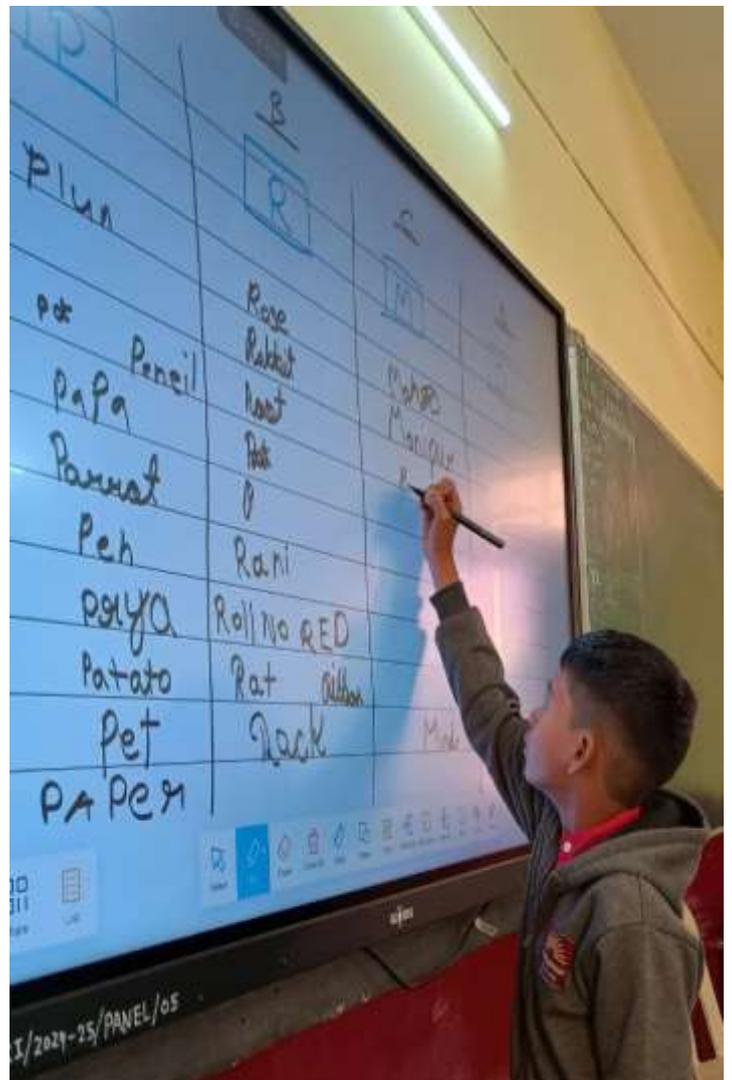

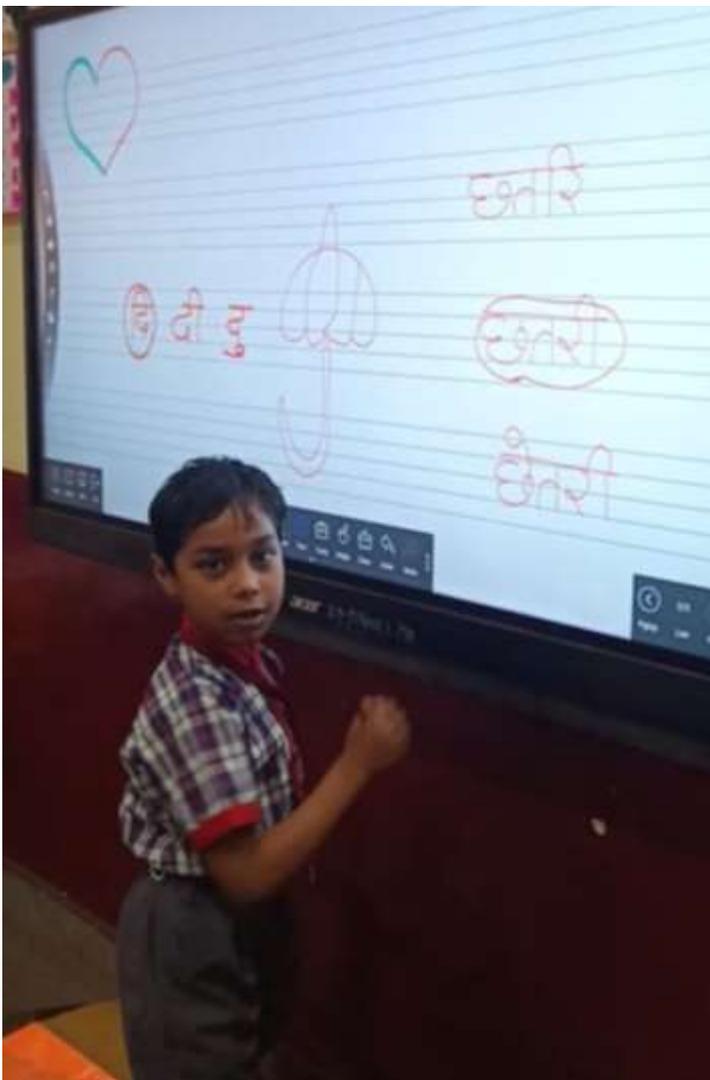

# USE OF ICT / INTERACTIVE BOARD

ICT tools and interactive board were used to make teaching more engaging and effective. Students learned concepts through digital visuals, animations and interactive activities. This method increased curiosity and understanding among learners. The use of technology made classroom learning fun, modern and more interactive.

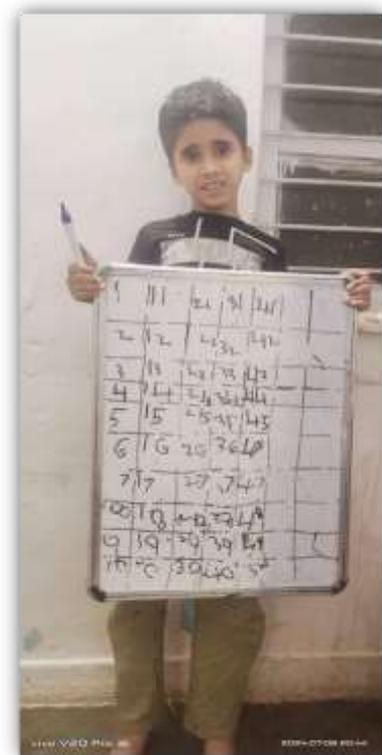

# USE OF ICT / INTERACTIVE BOARD

Teachers used smart boards and digital tools to explain concepts clearly. ICT made learning visual and engaging. Students interacted with digital content, improving understanding and technical skills.

# CWSN ACTIVITIES

Special activities were conducted for CWSN students to ensure inclusive and supportive learning. Teachers guided students with patience, care and personalized attention. These activities improved their confidence, participation and communication skills. The school promotes equal learning opportunities for every child.

# TOY BASED ACTIVITIES

Toy-based learning activities were conducted to make learning joyful and concept-based. Students used toys to understand numbers, shapes, patterns and real-life situations. These activities improved observation, problem-solving and fine motor skills. Children learned happily through play as recommended in NEP 2020.

# TOY BASED ACTIVITIES

Children learned concepts through educational toys, promoting joyful and experiential learning.

# USE OF TLM

Teachers prepared and used various Teaching Learning Materials to make concepts clear and interesting. Students learned through charts, models, cutouts and activity kits. TLM helped children understand concepts quickly through visual and hands-on learning. It also increased active participation and classroom engagement.

# USE OF TLM

Teachers used innovative Teaching Learning Materials to simplify complex concepts.

# GAMES & SPORTS

Games and sports activities were organized to promote physical fitness and team spirit. Students participated in indoor and outdoor games with great enthusiasm. These activities improved coordination, stamina and sportsmanship. Children learned the values of discipline, cooperation and healthy competition.

# GAMES & SPORTS

Students actively participated in outdoor games, promoting physical fitness and teamwork. Sports activities developed sportsmanship, discipline, and healthy competition.

# COMPUTER LITERACY

Computer literacy activities were conducted to introduce students to basic computer knowledge. Children learned about computer parts, simple operations and digital learning tools. These activities improved their interest in technology and modern learning skills. Students enjoyed exploring computers in a guided and safe environment.

# SELF DEFENCE TRAINING

Self-defense training sessions were organized to empower students with safety awareness. Students learned basic self-defense techniques and confidence-building exercises. This activity helped them develop courage, alertness and self-control. It promoted personal safety and mental strength among children.

# SCIENCE EXHIBITION

A Science Exhibition was organized to encourage scientific thinking and innovation. Students presented models and projects based on real-life science concepts. They explained their ideas confidently and showed creativity in presentation. This activity enhanced curiosity, observation and problem-solving skills

# SCIENCE EXHIBITION

Students prepared creative science models and explained concepts confidently.

# CHILDREN'S DAY

Children's Day was celebrated with joy and enthusiasm in the school campus. Students participated in cultural programmes, fun activities and games. Teachers organized entertaining events to make the day special for children. The celebration created happy memories and encouraged bonding between teachers and students.

# CHILDREN'S DAY

Children's Day was celebrated with fun activities, games, and cultural performances.

# MINI SPORTS MEET

Mini Sports Meet was organized to encourage participation in sports and physical activities. Students took part in various races and fun sports events. The meet developed confidence, discipline and team spirit among learners. Children enjoyed the event with excitement and great sportsmanship.

# MINI SPORTS MEET

Students participated enthusiastically in races and fun games. The event promoted physical fitness and team spirit among students.

# FOUNDATION DAY

Foundation Day was celebrated to honour the establishment and achievements of the Kendriya Vidyalaya Sangathan. Students participated in special activities and cultural programmes. The celebration helped children understand the importance of school values and traditions. It created a sense of belonging and pride among students.

# GRANDPARENTS DAY

Grandparents Day was celebrated to respect and honour grandparents for their love and guidance. Students welcomed grandparents and participated in cultural activities and interaction sessions. The celebration was full of joy, blessings and warm memories.

# GRANDPARENTS DAY

The celebration strengthened family bonds and emotional values.

# EDUCATIONAL TOUR

An educational tour to Dantewada was organized under PM SHRI Scheme to provide experiential learning beyond classrooms. Students visited places of educational and cultural importance under teacher supervision. The tour helped children gain knowledge, confidence and joyful experiences.

# EDUCATIONAL TOUR

Students visited educational sites to gain practical knowledge. Students explored new places and learned through observation.

# EDUCATIONAL TOUR

The tour provided experiential learning outside the classroom.

# REPUBLIC DAY

Republic Day was celebrated with pride and patriotism in the school. Students participated in flag hoisting, patriotic songs and cultural programmes. The celebration helped children understand the importance of our Constitution and national values.

# REPUBLIC DAY

Students expressed love for the nation through speeches and cultural programs.

# ANNUAL SPORTS DAY

Annual Sports Day was celebrated on 07.02.2026 with great enthusiasm and excitement. The event encouraged students to develop physical fitness, discipline and sportsmanship.

# ANNUAL SPORTS DAY

Annual Sports Day was celebrated on 07.02.2026 with great enthusiasm and excitement. The event encouraged students to develop physical fitness, discipline and sportsmanship.

# ANNUAL SPORTS DAY

Certificate Distribution Ceremony was organized after the successful completion of the Annual Sports Day. Winners and participants were appreciated for their enthusiastic participation and excellent performance in various sports events.

# ANNUAL SPORTS DAY

Certificate Distribution Ceremony was organized after the successful completion of the Annual Sports Day. Winners and participants were appreciated for their enthusiastic participation and excellent performance in various sports events.

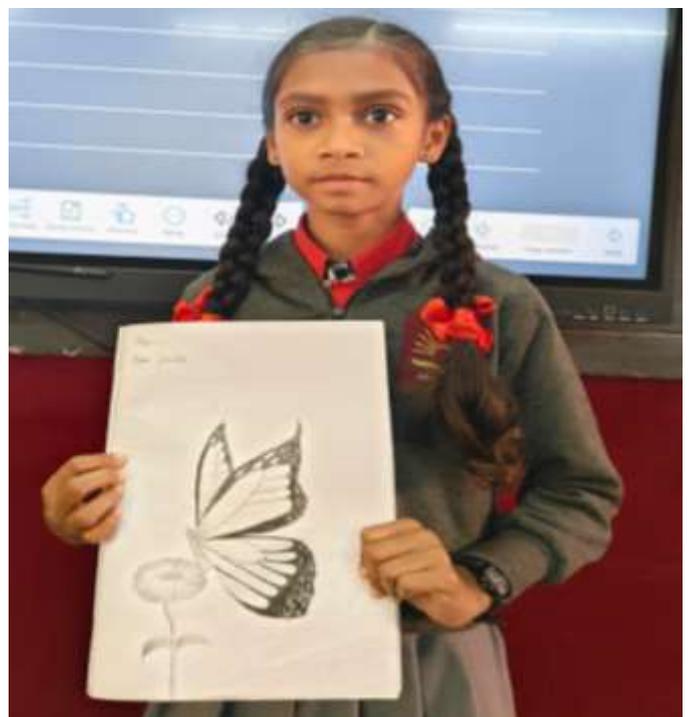

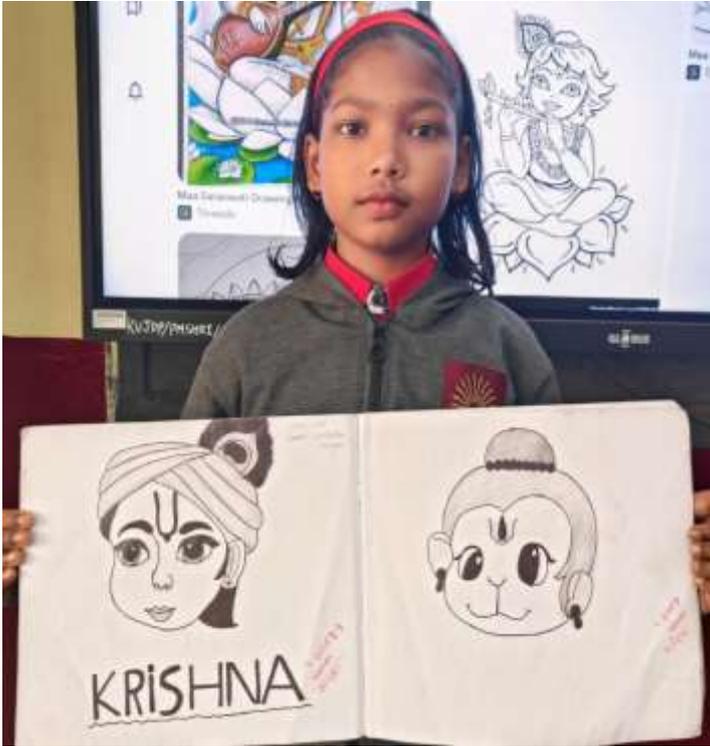

# STUDENTS' CORNER

Students' Corner showcases the creativity of our young learners. It includes drawings, writing work, craft and activity-based learning outputs. It reflects joyful learning and talent development in the Foundational and Preparatory stages.

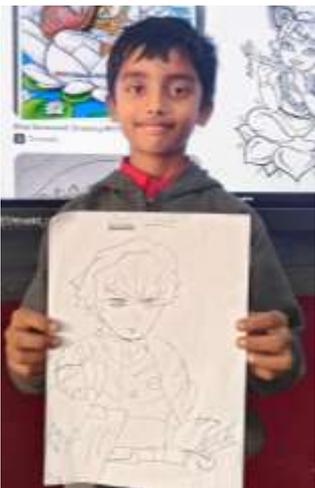

# STUDENTS' CORNER

Students showcased their creative writing, drawings, and talents.

# STUDENT'S CORNER

The corner highlights imagination and creativity of young learners. It provides a platform for self-expression and confidence building.
