English Language Lab

A language laboratory is a lab/room set up in a school to learn any foreign language in a more effective way,emphasizing on development of speaking and listening skill.

Objectives of our English language lab

To enable students to:

- 1)introduce listening and speaking skills in addition to reading and writing skills in schools.
- 2)practice and assess speech in language.
- 3) listen to model pronunciation ,repeat and record the same and do self assessment and correction.
- 4)learn at one's pace

Our school language laboratory is well equipped with computers comprising English language software, headphones, microphones and recorder.Our language lab offers:

- 1.Text, images, audio, and video that can easily be integrated.Teachers can alter materials to fit their requirements.
- 2.Learners can record their own voice and playback the recordings, interact with each other and the teacher and canstore results.
- 3.Teachers can intervene and control the learners' computers via the teacher's console, track of learner's work etc.
- 4.Self access for independent learning which includes access to resources outside class.

Purpose of Language lab

- The purpose of our language lab is to involve students to actively participate in language learning exercises and get more practice than the traditional classroom environment.
