

Celebration of Vigyanotsav 2.0

Kendriya Vidyalaya IIT Ropar hosted Vigyanotsav 2.0, a day-long event dedicated to science, innovation, and community engagement. Organized in collaboration with Pehchaan Ek Safar and supported by KISEM, the event showcased the ingenuity of young minds and fostered meaningful interactions with the local community.

The program began with the ceremonial lighting of the lamp by dignitaries, including Professor Rajendra Srivastava, Dean Post Graduate studies IIT ROPAR Professor Harpreet Singh, Professor Neha Sardana from IIT Ropar, Venue Principal Mr. Pradeep Singh and Ms. Ruchita, President of Pehchaan Ek Safar.

Students of KV IIT ROPAR performed a street play addressing the issue of stubble burning, raising awareness about its environmental impact and encouraging sustainable practices.

A major highlight of the event was the science project exhibition, where students from 50 schools across the Punjab zone presented their innovative ideas and solutions. Projects ranged from sustainable farming techniques to cutting-edge technologies in renewable energy. Evaluated by esteemed professors from IIT Ropar, the projects were judged on creativity, scientific approach, originality, technical skills, and presentation. The exhibition was a testament to the scientific talent and innovative spirit of the region's youth.

Distinguished professors from IIT Ropar praised the participants for their creativity and commitment to solving real-world problems through science.

The event concluded with the announcement of winners in various project categories, followed by a prize distribution ceremony. Judges and dignitaries were also felicitated for their contributions. A heartfelt vote of thanks by Mr. Jay Pes, Vice President of Pehchaan Ek Safar, marked the conclusion of the day.

The day was a true celebration of knowledge, innovation, and collaboration, leaving a lasting impression on all who attended.
