**PI (Internal) Calculation** has been done by taking only the current dataset as the reference. It is based on awarding 1 point to 33-35, 2 points to 35-40, 3 points to 40-50, 4 points to 50-60 and so on till 8 points to 90-100 and dividing total points by total achievable points (Count x 8).

**PI (CBSE)** is based on the grades awarded by CBSE and will not be calculated for class X as grades are not available.
