### ART & CRAFT

Learning art and craft enhances creativity and imagination in children. It encourages cognition and develops critical thinking skills. Students are given the opportunity to express their knowledge, ideas and feelings.

Art education for primary section involves easy drawing and simple techniques of free hand drawing. In secondary section, apart from drawing, different tones of colouring are included which improve the student's creativity and observational skills. At the high school level tones of colouring, life study, light and shade methods are included to improve the imagination and observational skills.

Various art & craft activities like origami, print making, wall painting, glass painting, clay modelling, collage making, pot painting etc nurtures the creativity and imaginative power of the students. Annual art exhibition was organised in Vidyalaya in which mass participation of students was seen. Various art competitions were organised in the school for children such as inter house art competition, poster making competition, rangoli competition etc. Students took part in various inter school art competition like 2D painting, 3D sculpture, indigenous toy making, on the spot painting etc organised by KVS.
