BALVATIKA-3 REPORT

"Balvatika" typically refers to a nursery or kindergarten school for young children. Kendriya Vidyalaya Sangathan (KVS) has introduced Balvatika as a preschool education. KVS has started admission in Balvatika 2022-23. At first KVS (HQ) identified 50 prominent KVs for the introduction of Balvatika and in the next year 450 KVs were identified for opening on Balvatika 1, 2 and 3.

In view of the NEP 2020 pre-schooling is mandatory for the age group of 3 to 6 years of child. In the year 2023-24, Kendriya Vidyalaya identified 450 KVs for the fresh introduction of Balvatika education for the age group students.

FLN Report

FLN activities under NIPUN Mission have become a part of day-to-day teaching in all Kendriya vidyalayas. These activities have proven highly fruitful for the students in order to achieve "LAKSHYA" under NIPUN Mission. Innovative pedagogies such as Experiential, Art Integrated and TOY based, Learning is used in classroom transactions to make learning a joyful and engaging activity. Holistic development of the children depends on development of different domains like physical and motor development, socio-emotional development, literacy and numeracy development, life skills etc. These are interrelated and interdependent, which will be reflected in Holistic Progress Card.

The Foundational Literacy and Numeracy program was started from July 2021 under NIPUN BHARAT MISSION. All the primary teachers got training for FLN. The trainings were held at different places by ZIET Gwalior, by R.O. Jabalpur and at the school. Different activities were conducted under it in last & current session.

A lots of FLN Activities are being conducted in the school. Some of them are as given below-

1. Learning through PLAYING - Numbers may be taught by playing HOP SCOTCH. Students may learn GOOD HABITS, TO GREET, DIRECTIONS and so many things through game.
2. Through ART & CRAFT-Students may learn grammar, Time, and a lots of topics through it.
3. Subject Enrichment Activities. These activities provide students opportunities to show their hidden talents. These are designed to enhance and develop understanding in specific subjects in particular competency.
4. Activity based learning. Children learn very quickly by DOING so activity based learning is more effective in primary classes.

Story telling, Dramatization, Clay modelling, TOY based teaching. ,Use of LACING ALPHABETS KIT to make new words, Use of CVC words to learn new words by making them own, Under BALA concept children narrate stories and also dramatize it., TLM. It is being prepared and used to conduct activities . It makes the teaching and learning easy and fruitful.
