Library PM Shri Kendriya Vidyalaya No. 3 Sagar

The Library of PM SHRI Kendriya Vidyalaya No. 3, Sagar serves as a vibrant learning resource centre that supports the academic, intellectual, and creative development of students and teachers. The library provides a peaceful and welcoming environment with adequate seating, sufficient space for reading and reference work, natural lighting, and proper ventilation.

The library is fully computerized using e-Granthalaya (eG4.0) library management software. All library operations, including the circulation of books, are managed through a barcode-based system, ensuring efficient and accurate issue and return of library materials.

The library houses a rich and diverse collection of books covering various subjects, reference materials, fiction, biographies, and competitive examination resources. A wide range of newspapers and magazines is also available to help students stay informed about current affairs and develop reading habits.

To support digital learning, the library is equipped with computers that provide access to digital resources. Students and staff can also access the National Digital Library of India (NDLI) for a vast collection of e-books, journals, educational videos, and other learning materials.

The library maintains an active Library Blog, where students and teachers can access library updates, reading recommendations, book reviews, activity reports, and other useful educational resources. The blog serves as an important platform for promoting reading culture and sharing information with the school community.

An interactive panel installed in the library is regularly used for library orientation programmes, digital presentations, storytelling sessions, book talks, quizzes, and other educational activities, making learning more engaging and interactive.
