Annual Report on Safety Drills (NDMA) at PM SHRI KV No. 3, Sagar

Under the dynamic leadership of Principal Mr. Dharmendra Bhardwaj, PM SHRI KV No. 3, Sagar has actively followed the National Disaster Management Authority (NDMA) guidelines to ensure school safety and emergency preparedness. The Disaster Management Committee, along with NCC Second Officer Krishna Kant, successfully conducted major drills including an earthquake evacuation drill, fire drill, and a terrorist attack mock drill.

The earthquake drill trained students and staff in the "Drop, Cover, and Hold On" method followed by a systematic evacuation to safe zones. The fire drill was carried out with the support of the local fire department, focusing on fire extinguisher use and rapid evacuation procedures. The terrorist attack mock drill emphasized lockdown strategies, alert systems, and coordination with law enforcement agencies.

In addition to safety preparedness, the school celebrates a proud achievement in NCC activities. All 21 cadets from the NCC unit passed the 'A' Certificate Examination for the session 2025-26 with flying colors, a testament to their hard work and the dedicated guidance of Second Officer Krishna Kant.

These initiatives have significantly strengthened the safety culture and leadership development at KV No. 3, Sagar, preparing students for real-world challenges with confidence and discipline.
