IMPORTANT NOTICE

E-WASTE COLLECTION DRIVE

Under Special Campaign 6.0

Go Green... Keep Earth Clean...

What should you collect from your home?

- Old or condemned mobile phones
- Waste laptops, tablets and computer parts
- Non-working TV remotes
- Old electronic chargers, cables and adapters
- Any other discarded electronic devices or components

Date of Collection:
26 October 2026 (Monday)

Venue:
Kendriya Vidyalaya, Macherla

Every student and staff member is requested to bring at least ONE e-waste item from home on the reopening day.

Appreciation Certificates
will be awarded to participants in recognition of their contribution.
Those who contribute more e-waste items will receive special appreciation.

Let us work together to keep our homes, school and environment clean and safe by ensuring the proper collection and disposal of electronic waste.

Your small contribution can make a big difference!

All parents, students and staff members are requested to cooperate wholeheartedly and make this campaign a grand success.
