# SEEDS OF FORTUNE भाग्य के बीज

Eng- हिंदी भाषा में।

We want to say a big thank you to everyone who helped bring this book, "The Seeds of Fortune," to life. First of all, we want to thank all the kids who read this book. You made it special by joining Rani and her grandma on their adventure.

A special thanks to the fruit seller who helped Rani when she needed it most. Your kindness made a big difference in Rani's life.

And lastly, we want to thank all the readers who enjoyed this book and learned about the health benefits of papaya. We hope Rani's story and the magic of papaya continue to inspire you.

Thanks to everyone for being a part of this journey.
With Best Regards,
Swastika Books

### **About the Book**

The Seeds of Fortune" is a lovely story about Rani, a young girl who lives with her grandma and doesn't have much money. When her grandma gets sick, Rani learns how papaya can help her feel better. This discovery changes their lives. This story shows how love and kindness can make a big difference, and it teaches us about the power of never giving up

The Seeds of Fortune" is a lovely story about Rani, a young girl who lives with her grandma and doesn't have much money. When her grandma gets sick, Rani learns how papaya can help her feel better. This discovery changes their lives. This story shows how love and kindness can make a big difference, and it teaches us about the power of never giving up

Rani was a young girl who lived with her grandmother in a small, rundown hut near the river. They were very poor and struggled to make ends meet. Rani's grandmother used to work as a dishwasher to earn some money, but as she grew older, she couldn't do it anymore. Rani wanted to help her grandmother, but she didn't know how.

#### Fact I

# Some Unknown Facts

#### Helps Skin Stay Healthy:

Rani worked hard and planted about 15 papaya trees, taking care of them every day. Within a few months, the trees started bearing fruit. Rani was thrilled to see the juicy papayas, and she decided to start her own fruit business.

#### त्वचा को स्वस्थ बनाए रखना:

पपीता में पपैन नामक एक एंजाइम होता है जो हमारी त्वचा के पुराने सेल्स को हटाकर साफ़ करने में मदद करता है। यह विटामिन ए और सी भी होता है जो हमारी त्वचा को हानि से बचाते हैं।

# Fact 2 Keeps Tummy Happy

Papaya has fiber which helps our tummy work well and stops us from feeling bloated. It also has something called chymopapain that helps us digest food better.

#### पेट को खुश रखना

पपीता में पपैन नामक एक एंजाइम होता है जो हमारी त्वचा के पुराने सेल्स को हटाकर साफ़ करने में मदद करता है। यह विटामिन ए और सी भी होता है जो हमारी त्वचा को हानि से बचाते हैं।

# Fact 3 Helps the Heart Stay Strong

Papaya is good for our heart because it has fiber that makes our heart happy and keeps our blood pressure normal.

#### दिल को मजबूत रखना

पपीता हमारे दिल के लिए अच्छा है क्योंकि इसमें फाइबर होता है जो हमारे दिल को खुश रखता है और हमारा रक्तचाप सामान्य बनाए रखता है। यह अच्छा पोटेशियम भी होता है जो रक्तचाप को नियंत्रित करने में मदद करता है।

16
