

# PM SHRI Kendriya Vidyalaya MEG & Centre, Bengaluru

## 1. Student-Centred, Experiential Learning

- Joyful, hands-on teaching from Balvatika to secondary levels using TLMs: worksheets, toys, puppets, DIY kits, and activity handbooks.
  - Activities foster **curiosity, creativity, critical thinking, cognitive and social skills**.
  - **BALA initiative** transforms walls into **interactive learning spaces**.
- 

## 2. Academic Support & Competency-Based Learning

- **Learning Enhancement Programme (LEP)** and remedial sessions address diverse learning needs.
  - **Competency-Based Assessments (CBA)** and **Learning Achievement Tests (LATs)** monitor progress.
  - Focus on **conceptual understanding** over rote memorization, developing 21st-century skills.
- 

## 3. Reading & Digital Learning

- **Reading Promotion Week**, Readers Club, read-alouds, and peer sessions enhance **fluency and comprehension**.
  - Digital integration: **Digital TV, DTH, and e-Granthalaya** library provide access to e-books, journals, and updated resources.
- 

## 4. STEM & Experiential Exposure

- **Science Exhibition** for Classes 3–12, showcasing student-led projects.
  - Science & Maths Circle activities performed **periodically in morning assembly and classrooms**.
  - **ATL Lab** for hands-on learning, enabling practical exploration.
  - **STEM Lab**, sponsored by SARD, Delhi, inaugurated by **Commissioner, KVS on 25 Nov 2025**, provides advanced facilities for experiments.
  - Exposure visits: Classes 6 & 8 – modern education, Classes 4 & 5 – sustainable farming, linking theory to real-world application.
- 

## 5. Environmental Awareness & Civic Responsibility

- Eco-Club projects: **herbal, kitchen, banana gardens**, and composting.

- Community activities: rallies, tree plantation drives, cleanliness initiatives, and community lunches.
  - Supports **teamwork, sustainability, and social responsibility**.
- 

## 6. Student Well-Being, Safety & Holistic Development

- **Sports and yoga training** by specialized coaches for fitness, teamwork, and mental well-being.
  - **Self-defense training for girls** builds confidence, safety awareness, and alertness.
  - **Health camp** includes vision, dental, and general check-ups.
  - **Cyber Safety Awareness** fosters responsible digital citizenship.
  - **Counselor facility** supports the needs of specially-abled children and overall student well-being.
- 

## 7. Teacher Development & Parental Engagement

- **In-house FLN training** strengthens early literacy and numeracy teaching strategies.
  - Parent-Teacher Meetings encourage **collaboration and holistic student support**.
- 

## 8. Career Guidance & Exposure

- **Career Expo** for Classes 11 & 12 with universities and institutes: Pearl University, Christ University, IIHM, and expert career counselors.
  - Students receive **guidance on higher education, career choices, and professional pathways**.
- 

## 9. Facility Enhancements & Events

- Classroom upgrades, creative murals, recreational spaces, and green areas.
  - Celebrations: Gandhi Jayanti, Swachhta Pakhwada, Reading Week, Sports Day (14 Nov 2024), and community participation activities.
- 

### Conclusion:

PM SHRI Kendriya Vidyalaya, MEG & Centre exemplifies **inclusive, innovative, and future-ready education**, empowering teachers to foster **academic excellence, holistic development, STEM competence, career readiness, and socially responsible citizenship**.
