PMSHRI NEWSLETTER

(APRIL - JULY)

2026-27

From Principal's Desk

Dear Readers,

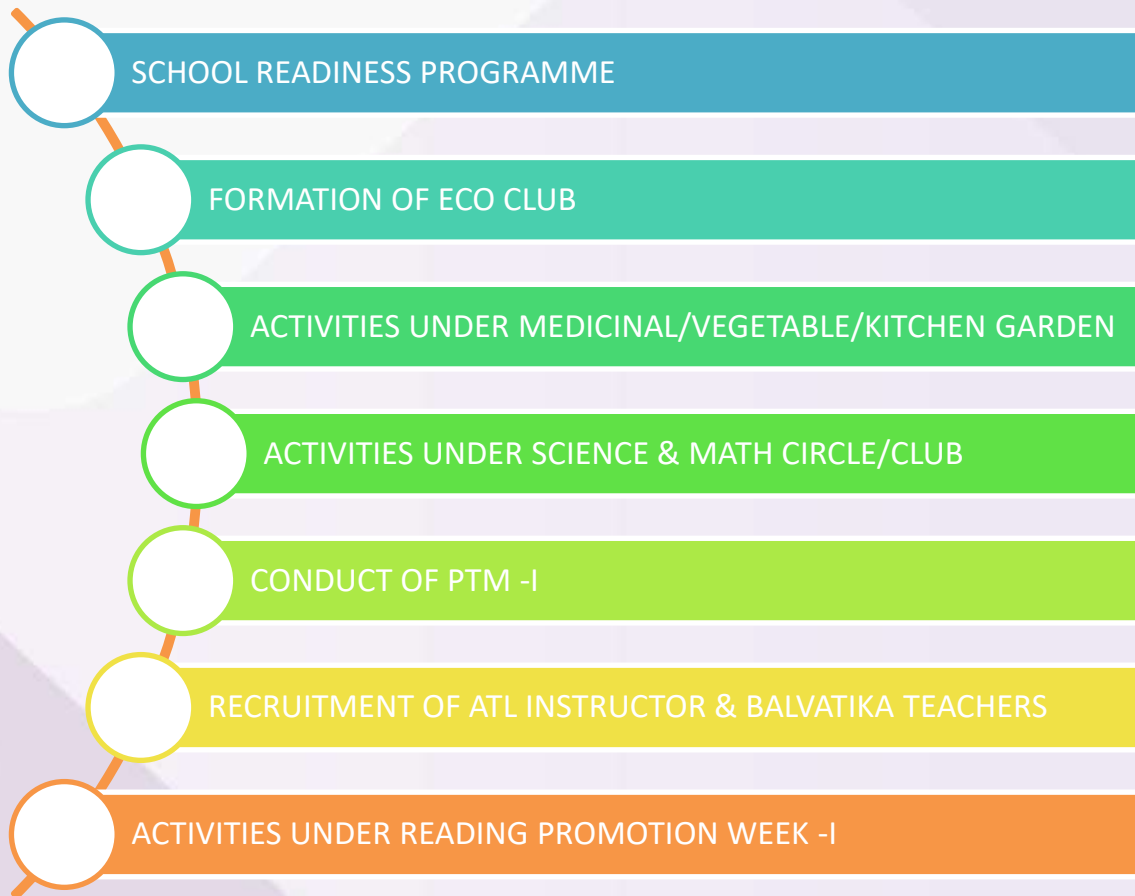

It is a matter of great joy to present the Session 2026-27 (April–July) edition of our PMSHRI newsletter ‘Shiksha Jyoti’. Through the PM SHRI initiatives, we continue to advance our mission of holistic education, nurturing young minds with values, skills, and knowledge. During the first quarter of this session, the school has undertaken a wide range of activities focused on environmental awareness, digital literacy, creativity, innovation, and patriotism.

I extend my heartfelt appreciation to all students, teachers, and parents for their enthusiastic participation and support. Together, let us continue to strive for excellence and achieve greater milestones ahead.

— **Bhimsen Panda**

SCHOOL READINESS PROGRAMME

24th April 2026

PM SHRI Kendriya Vidyalaya Bhawanipatna successfully conducted the Vidyapravesh Booklet Distribution Programme for Class I students under the PM SHRI School Readiness Initiative. The Principal, Mr. Bhimsen Panda, distributed 90 Vidyapravesh booklets and interacted with students, encouraging joyful and activity-based learning. Teachers were oriented on effectively implementing the NCERT-developed Vidyapravesh module in alignment with NEP 2020. The colourful, play-based booklets were received with great enthusiasm by the students, ensuring a smooth transition into formal schooling. The programme reinforced the school's commitment to providing a joyful, inclusive, and holistic learning environment for every child.

READING PROMOTION WEEK - I

PM SHRI Kendriya Vidyalaya Bhawanipatna successfully organized Reading Promotion Week – I from 20th to 25th July 2026 under the PM SHRI initiative. The programme was coordinated by Mr. Omprakash Samal, Librarian, to foster reading habits among students of Classes I to VIII. A variety of engaging activities such as Reading Pledge, Poem Recitation, Story Telling, Digital Reading, Loud Reading, Bookmark Making, Poster Making, Book Review, Word Hunt, and Spelling competitions were conducted. The activities were held during library and subject periods with active participation from students and teachers. The week concluded with inter-class competitions held on 3rd August 2026 in the library. The programme created enthusiasm for reading, enhanced language skills, and encouraged students to develop a lifelong love for books. The event was a grand success and fulfilled the objectives of the PM SHRI Reading Promotion initiative.

REPORT ON CONSTITUTION OF ECO CLUB FOR MISSION LIFE

PM SHRI Kendriya Vidyalaya Bhawanipatna constituted the Eco Club for Mission LiFE under the guidance of Mr. Bhimsen Panda, Principal. Mr. BIPLAB GHOSH was appointed as the Teacher In-Charge, and Ms. Maitreyi Subhadarshini was nominated as the Eco Club President. Student representatives from Classes VIII to XII were inducted as members. The club will promote environmental awareness and sustainable practices through activities such as saving water and energy, reducing waste and e-waste, promoting the 3Rs (Reduce, Reuse, Recycle), adopting sustainable lifestyles, and saying no to single-use plastics. The initiative aims to instill environmental responsibility among students in line with the Mission LiFE objectives.

ACTIVITIES UNDER MEDICINAL/VEGETABLE/KITCHEN GARDEN

Under the PM SHRI initiative, various activities were undertaken to promote sustainable gardening and environmental awareness. Seed sowing of seasonal vegetables such as **brinjal** and **tomato** was carried out by students and teachers in the school kitchen garden. Gardening tools required for the maintenance of the garden were procured through the **GeM Portal**, ensuring effective upkeep of the green spaces. Informative **banners for the Vegetable Garden and Medicinal Garden** were installed to create awareness about the importance of growing nutritious vegetables and medicinal plants. These initiatives provide students with practical learning experiences while encouraging healthy eating habits, environmental responsibility, and appreciation of biodiversity.

ACTIVITIES UNDER SCIENCE & MATH CIRCLE/CLUB

The Science & Mathematics Circle/Club actively engaged students in promoting scientific temper and logical thinking through various hands-on and interactive activities. Students participated in simple science experiments, mathematical puzzles, quizzes, and model-making activities to enhance conceptual understanding and problem-solving skills. Awareness sessions and demonstrations encouraged curiosity, innovation, and teamwork. The club also motivated students to apply scientific and mathematical concepts to real-life situations. These activities fostered creativity, critical thinking, and a spirit of inquiry, making learning enjoyable and meaningful in accordance with the objectives of the PM SHRI initiative

CONDUCT OF PTM -I

BaParent-Teacher Meetings (PTMs) were conducted throughout the first quarter of the academic session to strengthen the partnership between the school and parents and to support students' academic and holistic development. PTM-I for Class V and Class VIII was held on 7 April 2026, while the PTM for Class X was conducted on 3 July 2026 & IX on 14 July. PTMs for the remaining classes were organized on various dates during the first quarter. During these meetings, teachers shared students' academic progress, attendance, behaviour, and learning outcomes with parents, while also discussing strategies for improvement. The meetings provided a valuable platform for constructive interaction and reinforced the importance of continuous parental involvement in the educational process.
