

Report on NIPUN Lakshya Implementation

Kendriya Vidyalaya Delhi Cantt No2– Primary Section

Introduction

The **NIPUN Lakshya** initiative, aligned with the national mission NIPUN Bharat Mission, aims to ensure that every child in the foundational years (Classes I–III) achieves **Foundational Literacy and Numeracy (FLN)** by the end of Grade 3. Our Kendriya Vidyalaya has actively adopted this mission to strengthen early learning outcomes in the Primary Section.

Objectives

- To develop **reading with comprehension** among students.
- To build **basic numeracy skills** such as number sense and problem-solving.
- To ensure **holistic and joyful learning experiences**.
- To identify and support **learning gaps at an early stage**.

Implementation Strategies

1. Classroom Practices

- Activity-based and **experiential learning methods** are regularly used.
- Emphasis on **storytelling, reading aloud, and phonics-based instruction**.
- Integration of **TLMs (Teaching Learning Materials)** and digital resources.

2. Assessment and Monitoring

- Conduct of **baseline, periodic, and end-line assessments**.
- Continuous tracking of student progress through **competency-based evaluation**.
- Maintenance of **individual progress records** for targeted intervention.

3. Remedial Support

- Special focus on **slow learners through remedial classes**.
- Use of **peer learning and group activities** to enhance understanding.

4. Teacher Capacity Building

- Teachers participate in **training programs, workshops, and FLN modules**.
- Sharing of **best practices and innovative teaching techniques** within the school.

5. Parental Involvement

- Regular **PTMs (Parent-Teacher Meetings)** to discuss student progress.

- Guidance to parents for supporting **learning at home**.
-

Activities Conducted

- Reading campaigns such as “**Read Along**” sessions
 - Number games and **math-based fun activities**
 - Use of **worksheets, flashcards, and activity corners**
 - Celebration of **Literacy and Numeracy Week**
-

Outcomes

- Noticeable improvement in **reading ability and comprehension skills**
 - Enhanced **confidence in basic mathematical operations**
 - Increased student engagement through **joyful learning methods**
-

Challenges

- Varied learning levels among students
 - Limited parental support in some cases
 - Need for continuous reinforcement of concepts
-

Conclusion

The implementation of NIPUN Lakshya in our Kendriya Vidyalaya has positively impacted the foundational learning of students. With sustained efforts, regular monitoring, and collaborative support from teachers and parents, the school is progressing steadily toward achieving **universal foundational literacy and numeracy**.
