Class 3

ENGLISH

SUBJECT : ENGLISH

A. Read the passage below and write the question and answer in the A4 sheet.

Benny was a small, brown rabbit who lived in a big, green meadow. Every day, Benny watched his friends, the birds and butterflies, playing and exploring. But Benny was too scared to join them. One sunny morning, Benny decided it was time to be brave. He took a deep breath and hopped towards the edge of the meadow.

As he hopped closer, Benny saw a beautiful butterfly stuck in a thorny bush. The butterfly looked scared and helpless. Benny remembered how much he wanted to be brave. "I can help!" he said to himself. With careful hops, Benny approached the bush and gently nudged the branches aside. The butterfly fluttered out, thanking Benny with a happy dance in the air.

From that day on, Benny discovered that being brave wasn't just about being big; it was about helping others and facing your fears. He started exploring the meadow with his friends, feeling proud of the brave bunny he had become.

QUESTIONS:

1. What kind of animal is Benny?
2. What problem did Benny encounter at the thorny bush?
3. What would you tell Benny if he was feeling scared about another adventure?
4. Find the synonym of the given word from the passage.
Grassland
5. What did you learn from the story?

B. Write few lines about the given picture

EVS

Theme : Water And Food

Group 1 (Roll No. 1-7): Water Conservation Poster

Create a colourful poster titled "Let's Save Water!" showing at least 4 ways to save water at home, using drawings, collages, and simple captions. Decorate with bright colours and make it attractive.

Example ideas: turning off the tap, watering plants with reused water, fixing leaks, not wasting water during brushing teeth.

Group 2 (Roll No. 8–14): Water Story and Rain Diary

Write a short story (about 40–60 words) describing how a drop of water travels from a cloud to reaching your home.

Make a 3-day “Rain Diary”: Each day, observe the sky and note if you think it’ll rain and why (at least 2 clues, e.g., clouds, sun).

Group 3 (Roll No. 15–21): Food We Eat Chart

Make a chart with pictures or magazine cut-outs showing three meals:

Breakfast, Lunch, Dinner. Paste/draw foods you eat for each. Write names of healthy foods in each meal.

Group 4 (Roll No. 22–28): Regional Food Collage

Choose any one Indian state. Create a food collage showing 3 popular dishes from that state (draw or cut/paste). Write the state’s name and dish names.

Group 5 (Roll No. 29–35): Water Vessels Exhibition

Draw (or photograph) at least 4 types of vessels/containers used in your home to store water. Label them and write one line each about their use. Display this on chart paper.

Group 6 (Roll No. 36–42): Ways to Reuse Water

Interview family members on 3–4 ways they reuse water at home (e.g. watering plants, cleaning). Make a list and illustrate or write about each method. Share one tip at the end on how to save water for future generations.

Group 7 (Roll No. 43–49): Healthy Food and Water Pledge

Make a colourful pledge poster: “I Promise to Eat Healthy and Save Water!” List 3 healthy foods you will eat this week + 2 simple ways to save water daily.

Decorate with drawings or stickers.

Instructions for All Groups

Use only easily available materials (old chart paper, crayons, pencil, stickers, household items).

Parents/siblings can help but the main work should be done by the student.

Submit homework in a folder/portfolio after the break.

Enjoy the tasks and remember: Water and Food make life wonderful. Let's be grateful and responsible!
