

Kendriya Vidyalaya SPG DWARKA ( Project School) is located within the sprawling campus of SPG in the South West district of Delhi.

This school is particularly beneficial for the children of SPG personnel living within SPG campus.

It is managed and administered by KENDRIYA VIDYALAYA SANGATHAN, an autonomous body (registered as a society under the societies Registration Act, XXI of 1860) set up by MINISTRY OF EDUCATION, Government of India.

KV SPG was established in 1999 and shifted to the new building on 8th of February, 2011.

It has now grown with impressive 42 smart classrooms and fully developed laboratories.

Currently, Kendriya Vidyalaya SPG offers a science stream as well as Humanities to students of class XI and XII which is designed to help students develop a deep understanding of the natural world and social world to prepare them for careers in various fields such as medicine, engineering, research etc.

With a focus on holistic education, our institution aims to nurture students' intellectual, creative, and physical development. Our dedicated faculty and state-of-the-art facilities ensure an enriching learning environment for all students.

In addition to its academic programs, Kendriya Vidyalaya SPG also offers a wide range of extracurricular activities.

These include sports, music, drama, and art which enable students to develop their talents and interests, and to build their confidence. They also provide students with an outlet for self-expression and a way to connect with their peers.
