किताब के बारे में

यह किताब सिर्फ बाहर से सुबसूरी नहीं दिखती बल्कि इसके अन्दर जो मनोरंजक और मजेदार कहानी है। उन्हे पढ़कर मुझे बहुत आनंद आया। मजेदार कहानी पढ़ने से मुझे भी अच्छा रहता है। इस किताब में बहुत सारी कहानी बहुत अच्छी हैं पर एक कहानी मुझे बहुत ज्यादा पसंद आई जिसका शीर्षक है 'रिखत फंड' जिसमें एक बूढ़े आदमी के पास जवानों में बहुत धन था, जोकर - चाकर, सैविकार, वी, पर उसके बेटे ने भंगी बने के बाद अपने पिता से पहचानने से ही इंकार कर दिया पर उसके पिता ने विभाग लगाया। उसने बोला कि भंगी को अपने विभाग में रिखत फंड नाम फंड स्थापित करना चाहिए जिसमें अगर कोई बूढ़ा गरीब हो या किसी कारण उसके पास पैसे न हों तो वह अपने रिखत फंड

Book:- The Summer I turned Pretty #1

By:- Jenny Han

Trilogy by Jenny Han is my all time favourite series. I have read and reread all of them and they never fail to make me feel excited, heartbroken, angry, and satisfied all at the same time. (I only feel angry because the books come to an end). The first book, The Summer I turned pretty is beautifully written. It tells the story of Belly who only lives in the summer. In the town of Cousins that she has gone to every single summer since her birth, she has everything she needs. The fishers have always considered Belly and her family a part of theirs. Susannah, the woman of the fisher house is acting off this summer. The two fisher boys, Conrad and Jeremiah, always seem to make summer the paradise that she loves. Although she is younger, Belly has always had an enormous crush on Conrad, who seems dark and moody but fun and intelligent at the same time. Jenny Han depicts the perfect story of heartbreak and first love all at the same time. I've said it once and I'll say it again. The Summer I turned Pretty is absolutely amazing. The characterization is incredible and you feel so connected to Belly and what she is going through. Jenny Han knows exactly how to rip your heart to pieces and then sew it all back together.

William Shakespeare

William Shakespeare (23 April 1564 – 23 April 1616) was an English playwright, poet and actor. He is widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet and the "Bard of Avon". His extant works, including collaborations, consist of some 39 plays, 154 sonnets, three long long narrative poems and a few other verses, some of uncertain authorship. His plays have been translated into every major living language. Shakespeare remains arguably the most influential writer in the English language, and his works continued to be studied and reinterpreted.
