

DEVELOPMENTS IN PM SHRI KENDRIYA VIDYALAYA NO. 1, UDHAMPUR

HIGHLIGHTS

Introduction:

Under the PM Shri scheme, significant enhancements have been made at Kendriya Vidyalaya No. 1 Udhampur. These initiatives aim to enrich the educational experience and holistic development of students.

Computer Procurement for Library:

State-of-the-art computers and books have been procured for the library, enhancing access to information and digital resources for students and faculty.

Incinerator and Vending Machine for Students:

In efforts to promote cleanliness and convenience, an incinerator has been installed for waste disposal, and a vending machine is now available to cater to students' refreshment needs.

Hands-On Skill Workshops:

Students have benefited from hands-on workshops in pottery making and candle making, fostering creativity and practical skills development.

Medical Assessment Camps for CWSN:

Special attention has been given to the health needs of children with special needs (CWSN) through organized medical assessment camps, ensuring their well-being and access to necessary support.

Aids Procurement for CWSN:

Additional aids and resources have been procured to support the educational journey of children with special needs, ensuring inclusivity and equal opportunities.

Initiatives for Environmental Sustainability:

Kitchen Garden and Compost Pit Formation: Initiatives like forming a kitchen garden and compost pit promote environmental consciousness and hands-on learning about sustainable practices.

Waste Management Plant Visit: Students were taken on a visit to a waste management plant in Jammu, enhancing their understanding of waste management and environmental conservation.

Enhancing Academic Resources:

Kits Purchased for Science, Maths Circles, kits for pre- primary and primary students : To boost academic engagement, kits have been procured for science and maths circles, enriching learning experiences beyond traditional classroom settings.

Guidance and Exploration:

Career Counselling Sessions: Regular career counselling sessions have been conducted, guiding students towards informed career choices and opportunities.

Educational Visits: Students were taken on educational visits to places like Amar Palace, Dogra Museum, and Fish Aquarium, broadening their horizons and enriching their cultural knowledge.

Celebrating Community and Tradition:

Grandparents Day and Annual Function: Special events like Grandparents Day for primary students and the Annual Function for Balvatika celebrate community bonds and showcase students' talents and achievements.

Conclusion:

The PM Shri scheme has catalyzed multifaceted developments at Kendriya Vidyalaya No. 1, Udhampur, fostering a conducive environment for holistic growth, academic excellence, and community engagement. These initiatives underscore the commitment to nurturing well-rounded individuals equipped for success in a dynamic world.
