A total of 59 PGTs (Physics, Chemistry & Maths) participated in the workshop (including resource persons and coordinators).

DAY 1 (29 AUGUST 2025)

The first day of workshop starts with a welcoming smile of each participant some old and some new.

Once all the participants were seated the workshop started on the arrival of course director **Mr. Islam Khan Assistant Commissioner KVS RO Jammu**. After the introduction of the training associates from ZIET Chandigarh and the resource persons there was a very motivating speech by course director sir. He with his own experiences encouraged all of us 'how to be a role model for students', and be interactive during the workshop and learn something new that will help us in professional growth.

After the tea break, participants segregated in different rooms allotted as per subject.

DAY-02(30 JULY 2025)

The second day started with the motivation speech by Respected Assistant Commissioner Shri Islam Khan where he motivated and guided the teachers for positive tagging of students and how it becomes so effective in teaching learning process.

After this all the teachers and Trainee Associates along with their respective subject teachers assembled in their respective allotted rooms for completing their respective tasks.

DAY-03 (01 AUGUST 2025)

The Third day started with the motivation speech by Respected Assistant Commissioner Shri Islam Khan where he motivated and guided the teachers for genuine feedback of the three days' workshop. He also discussed about the various challenges faced by the teacher during teaching learning process and various positive ways to tackle them. The work done by the participants is also evaluated and assessed by respected Assistant Commissioner Mr. Islam Khan sir.

Glimpse of Workshop
