

REPORT ON SPORTS FACILITIES AT K.V. CHAMERA II

1. Cricket Nets: K.V. Chamera II is equipped with cricket nets designed to facilitate practice for both batting and bowling. These nets are enclosed to contain the cricket balls, providing a controlled environment for players to refine their techniques. The nets are well maintained, with durable mesh and a suitable pitch surface to simulate real match conditions effectively.

Cricket Nets

2. Volleyball Court: The school features a volleyball court with standard dimensions of 9 by 18 meters. It includes a regulation net and is situated on a level surface that ensures safe and enjoyable play. The court is marked for both singles and doubles games, and it is equipped with adequate lighting for evening practice and matches. The surface material is selected to provide a good balance of traction and shock absorption.

3. Table Tennis Table: K.V. Chamera II has a well-maintained table tennis table, measuring 2.74 meters by 1.525 meters and 76 cm in height. The table is set up in an indoor area with appropriate lighting to ensure a consistent bounce and clear visibility. The surrounding space allows players to move freely and enjoy a competitive game.

4. Indoor Games Facilities:

Badminton Courts:

The school provides badminton courts with dimensions of 6.1 by 13.4 meters. These courts are equipped with proper net tension and marked boundaries for both singles and doubles play. The playing surface is designed to offer good traction and cushioning, and the area is well-lit to facilitate effective gameplay.
