FROM THE DESK OF PRINCIPAL

You can't use up creativity. The more you use, the more you have."

It gives me immense joy to learn that the primary section of our school is bringing out the second edition of E- newsletter 2021-2022 which showcases the creativity of our tiny tots and efforts of our teachers and parents.

Education is an attempt to nurture the child into a better human being, its highly important to provide a platform to express their views and thoughts. This newsletter gives wings to the imagination of young learners.

Various curricular and co- curricular activities were conducted which play an important role to extract the innate potentials of the students in the various arenas from the beginning. I appreciate to all those who have put their efforts towards the publishing this newsletter under the guidance of Mrs. Amandeep Sandhu (HM).

Best wishes and stay safe.

**MR. ANIL KUMAR G
PRINCIPAL**

FROM THE DESK OF HEAD MISTRESS

It gives me immense pleasure in bringing out the second edition of newsletter for the academic year 2021-2022. At the end of each term, we share with you a summary of our activities which will give you a greater insight into our approaches to teaching and learning.

This newsletter is a platform for children to express their creative abilities. Their participation in extracurricular activities on a regular basis ensures enhancement of their social and academic skills. Active participation of students in these activities reflect our success in instilling in them curiosity to learn and better their communication skills.

'If one develops a passion for learning, she/he will never cease to grow.' Our teachers have put in tireless efforts in achieving this. The support provided by parents is commendable.

I am thankful to our Principal, Mr. Anil Kumar G for guiding us for publishing the newsletter. With best wishes.

. Learn continually. There is always 'one more thing' to learn.
