

## **FACILITIES IN CHEMISTRY LABORATORY**

1. Enough space for doing experiments for 25-30 students at a time.
2. Well equipped lab. with all modern apparatus like NCERT science kit, chemistry lab. kit, apparatus for melting point , hot plate , magnetic stirrer , kipp's apparatus , digital/ electronic chemical balance etc.
3. Fitted with LPG gas pipes and burner.
4. Proper ventilation.
5. Separate store room for chemicals.
6. Equipped with refrigerator and electronic oven etc.
