PRINCIPAL'S MESSAGE

Education is about awakening –Awakening the power and beauty that lies within all of us. KV Deoria aims at the all-round development of the students including creativity, observation and knowledge empowerment. CMP strengthens the Primary education and mould children into better citizens with sterling character. CMP inculcates Responsibility, Integrity, Care, Respect, Academics and Cooperation that will enable our students to take a leadership in life. Each child has his own unique qualities and as educators it is our responsibility to nurture and develop every learner in their formative years. Our students are groomed from a very early age to foster respect for diversity. On line learning may be new and different for the students, but it allows them to learn in a supportive and convenient atmosphere in this unprecedented time. And our students are grabbing this opportunity of learning through virtual classes. I congratulate the contributors, teachers and editorial board for bringing out this CMP newsletter. With best wishes
