FROM THE DESK OF DEPUTY COMMISSONER

I am feeling extremely delighted to know that KENDRIYA VIDYAALAYA DEORIA is going to publish an annual e- newsletter of academic session 2026-27. School e-newsletter is a successful medium for students and teachers to make the readers aware of their hidden intellectual potential. The purpose of publishing the school e-newsletter is also to inform the parents about programs and activities organised in schools. The creative works of young minds are really commendable and I hope that in the future also these students will be more amenable to the literally work of school.

Best wishes to all.

Dr. (Smt.) Sukriti Raiwani (D.C)

FROM THE DESK OF PRINCIPAL

The whole process of education is to turn mirrors into window. Education is considered as the vaccine of violence. It empowers us to gain confidence and courage to stand up and demand justice and equality. At KENDRIYA VIDYALAYA DEORIA our vision is to transform students of promises into human of character and endurance. We feel prideful for the initiative, introductory act and leading actions taken by Primary wing to publish this newsletter.

Through this newsletter I would like to invite you all to our home of minds.
